Historical Events

Oak Grove

Oak Grove Baptist Church was started as a result of Rev. Jim Kelley and Rev. Jesse Corn holding several annual revivals in a log house located near the present site. Oak Grove Church was organized after a good revival in 1909 and constituted October 29th of that same year. Fourteen charter members were received, and the first conference on November 14, 1909 elected A. S. Ferguson as pastor. To date, twenty-three pastors have been elected and sixteen brethren ordained in the ministry by the church. W. H. Warren pastured twice and John Lummus has pastured Oak Grove Church three times.

The first Sunday School was organized April 13, 1912. The church held its first Church Camp in 1973 at The Georgia Baptist Assembly in Toccoa, Georgia and has continued every summer since. Vacation Bible School is held each year at the church for all ages. Monthly meetings are held for the Men's Group, Women's Missionary Union, and Baptist Young Women. Outreach groups for all the children, Adult Bible study, and all choirs meet weekly. For a number of years, the weekly Sunday School lesson and early worship service on the first and third Sunday mornings are broadcasted by the local radio station. Many mission trips made by members, including pastors, to different areas of our country and world have been supported by the church. Church conference is held the second Sunday morning of each month. Oak Grove meets each week for Sunday School and the eleven o'clock worship service.

In early 1953, the interior of the Church was remodeled. In late 1953, the church voted to brick the exterior of the building. In 1956, the additions of six Sunday School rooms were approved. A new church building was built with the first service held on November 12, 1966. Construction was completed in April 1980 for remolding the pulpit area including a choir loft and carpeting the auditorium. The cornerstone was laid on June 26, 1983 after the completion of a new addition which included a kitchen and fellowship hall, six Sunday School rooms and a baptistery. A new Family Life Center building was dedicated on July 9, 1989. A dedication service for the remolded sanctuary, addition of a vestibule, Brides room, and two new Sunday School rooms was celebrated on November 2, 1997. Renovation of the kitchen and fellowship hall was completed in October 2008.

On Sunday, November 15, 2009, Oak Grove held a 100 year celebration service. The scripture verse was Psalms 100:5 "For the Lord is good, His mercy is everlasting and His truth endurth to all generation." All of Oak Grove pastors were recognized and we were blessed with six living pastors attending and speaking. Also, in addition, nine of our deceased pastors had relatives in attendance to represent them. Many of the past hymns were sung by the congregation, and the church covenant was read. Lunch was served, and a DVD with pictures of members, church buildings, and history was shown. A copy of the DVD was given to each family. Oak Grove Baptist Church's 100th anniversary theme is "Standing for His purpose from Generation to Generation."

Rock Springs

In June 2009 Rock Springs Baptist Church began the construction of a new Sanctuary and Fellowship Hall. Almost to the day, 130 years after Rock Springs Baptist Church was constituted, they moved into their new building on May 16, 2010. God has continued to Bless their Congregation as they continue to follow his will and spread his word.

The following Constitution and Bylaws were adopted by the Hightower Baptist Association on September 29, 1994. The rules were reviewed and finally adopted on September 28, 1995, at Mayfield Baptist Church, Forsyth County, Georgia, during the Hightower Baptist Association. This Constitution and Bylaws shall govern the Hightower Baptist Association until amended.

An amendment to Article 12, paragraph 12.1, regarding Standing Committees, was approved on September 30, 2010, at Haw Creek Baptist Church, Forsyth County, Georgia, for "20. Food Bank Committee."

CONSTITUTION AND BYLAWS OF THE HIGHTOWER BAPTIST ASSOCIATION

We the Baptist Church of Jesus Christ, having all been baptized upon a profession of faith in Christ and desirous of a spiritual union, we therefore propose to maintain order and rules of an Association according to the following plan:

NAME AND FORMATION OF THE ASSOCIATION

Article 1.

1.1 This Association shall be known by the name of THE HIGHTOWER BAPTIST ASSOCIATION and shall be composed of Messengers chosen by the different Churches in our Union who, upon producing letters from their Churches certifying their appointments, shall be entitled to a seat.

1.2 Messengers from member churches shall become delegates when seated. All ordained ministers having Church membership within the Association, or serving a Church within the Association, Officers of the Association Chairmen of the Standing Committees, members of the Standing Committees, and Assistant Parliamentarians are to be seated as delegates.

1.3 Each Messenger shall register at the convention of the annual meeting of the Association. Upon registration, the Messengers will automatically be seated as delegates. At a time deemed appropriate by the Moderator, the Clerk and Moderator shall inquire as to any Messengers whose names are not registered and such unregistered Messenger shall, upon addition to the register, be seated. The Clerk of the Association may delegate a registration committee to compile the list of Messengers to be seated. Upon proper registration, it shall not be necessary to conduct a role call of the Messengers to be seated. To assist with registration, each Church shall forward to the Clerk of the Association a list of all Messengers chosen by the Church. This list will be forwarded not less than ten days prior to the annual meeting of the Association. Notwithstanding any of the foregoing, the Clerk or delegated registration committee may devise a method of pre-registration to avoid registration requirements at the meetings of the Association. All member Churches shall endeavor to choose Messengers who are able to attend Association meetings. The Clerk of the Association or the delegated registration committee shall furnish to the Nominating Committee all registered delegates as soon as possible after the convention of the Association, however, not later than the second day of the annual meeting of the Association.

1.4 Each Church in the Union may have two delegates and one additional delegate for every fifty members in excess of seventy-five members. In no case shall the combined representation of a Church exceed five delegates.

ELECTION OF MODERATOR, ASSISTANT MODERATOR, TREASURER AND CLERK

Article 2.

2.1 The Association thus formed shall choose by ballot a Moderator, Assistant Moderator, Clerk and Assistant Clerk, and Treasurer, who shall serve for one year. The Moderator shall be ineligible for one year after having served in the office for two years. It shall be permissible for the office of Clerk and Treasurer to be filled by the same person.

INDEPENDENCE OF ASSOCIATION AND MEMBER CHURCHES, ADJUDICARY AND ADVISORY ROLES

Article 3.

3.1 The Association shall have no coercive form to lord over it and shall abide in God's heritage and word in conducting all functions of the body. The Association shall be considered an advisory council in all matters respecting the internal concerns of the Church.

3.2 When an offense may be committed by one Church against another or when a serious difficulty may arise in an individual Church, it shall be the duty of the Association to take the matter or controversy into consideration and decide upon it. However, intervention by the Association shall come only after gospel steps have been taken between the offending and offended Church or within the individual Church, as the case may be. The Association shall have the authority to issue rulings. Churches, which are the subject of such rulings, shall receive such rulings as advisory in nature. Nothing contained herein shall affect or impair the independence of each member Church. However, the Association may remove any Church from fellowship with the Association if the offenses involving the member Church are contrary to the Abstract of Principles of the Association or if such offenses jeopardize the spiritual integrity of the Association or the member Churches, or for other proper reasons which harm the fellowship and existence of the Association. The procedures for excluding a Church from fellowship set forth in Article 4, hereinafter addressed, shall be followed.

3.3 The Association may issue advisory rulings on points of doctrine or questions posed by any member Church. The Association is empowered to issue position statements or policies concerning matters affecting the well being of the member Churches or the individual members. The Clerk of the Association shall maintain a separate register of all rulings, position statements and policies passed or issued by the Association.

QUALIFICATION, ADMISSION AND EXCLUSION OF MEMBER CHURCHES

Article 4.

4.1 The Association shall be solely responsible for determining membership within the Association. Any Church seeking admission shall satisfy the Association as to the petitioning Church's qualification, including compliance with the Abstract of Principles of the Association. The Moderator may delegate a committee to determine the qualifications of the petitioning Church. This committee shall be known as The Committee to Examine New Churches on Articles of Faith.

4.2 Upon majority approval by the Association, the petitioning Church's admission into the Association shall be manifested by the Moderator extending the right hand of fellowship.

4.3 The Association, upon two-thirds vote by the delegates, shall have the power to exclude any Church from the Association upon grounds that the Church has departed from the orthodox principles of the gospel, or for any other proper reason that jeopardizes the union of the Association. Any church subject to exclusion shall have adequate and fair opportunity to defend any charges. The Association may delegate a tribunal for hearing, if deemed necessary to afford fairness. The tribunal shall report its findings at the next meeting of the Association. Unless otherwise delegated by the Association, the Executive Committee shall act as the standing tribunal.

4.4 Admission or exclusion of any church shall be entered into the minutes and recorded by the Clerk of the Association The Clerk of the Association shall notify any Church in writing as to admission or exclusion and shall publish same within the minutes of the Association.

4.5 Any member Church desiring to withdraw from membership of the Association shall request withdrawal in writing. Upon majority approval of the Association obtained during the annual meeting, the petitioning Church shall be entitled to a letter of dismissal and membership will be canceled. The Clerk of the Association shall enter such withdrawal into the minutes of the Association and remove the withdrawing Church from the list of member Churches.

QUERIES

Article 5.

5.1 Queries are extraordinary inquiries of doctrinal matters in order to resolve doubt or questions. While encouraged for matters of doctrinal question or dispute, queries should be used sparingly and cautiously

5.2 Queries shall be presented at Union Meetings prior to presentation to the Association, or posed by a member Church. The Standing Committee on Queries shall convene not later than noon on the first day of the annual meeting of the Association to review any queries presented and make recommendations to the body of the Association. The Standing Committee on Queries shall have the authority to determine and recommend that the subject matter not be considered as a query if the subject matter is not appropriate for a query as previously defined in this Article.

The Standing Committee on Queries may recommend that the matter be considered as a motion or resolution before the Association; and, unless renewed in the form of a motion or resolution by any delegate of the Church presenting the query, the matter may not be considered. Queries, if deemed appropriate by the Standing Committee on Queries, shall be read during the afternoon of the first day of the Association's annual meeting and acted upon in general business on the second day of the annual meeting.

CONDUCT OF MEETINGS OF THE ASSOCIATION, SPECIAL MEETINGS, DECORUM AND ROLE OF MODERATOR

Article 6.

6.1 The regular meeting of the Hightower Baptist Association shall occur on the Wednesday and Thursday proceeding the first Sunday of each October. Special meetings of the Association may be called at any time during the calendar year by decision of the Executive Committee. Written notice of special meetings shall be provided at least two weeks prior to any special meeting, except in cases of emergency. Delegates to the special meeting shall be those chosen by the member Churches; otherwise the same delegates serving at the preceding annual meeting of the Hightower Baptist Association may continue to serve. Unless modified by member Churches, delegates shall serve for one-year terms.

6.2 The Association, when convened, shall be governed by a regular and proper decorum, which decorum shall be created and modified in the discretion of a majority of the Association.

6.3 Meetings shall be opened and closed with a prayer. The meetings shall not adjourn until all business or matters regularly brought before the Association are concluded, except in extraordinary cases.

6.4 The Moderator shall be deemed to be the judge of order and decorum. The Moderator shall have the right to call order at any time. It shall be solely the duty of the Moderator to enforce the rules of decorum and order, and to properly conduct the meetings. The Moderator shall have the privilege of consulting with the Parliamentarian at any time during the meetings. The Moderator is charged with enforcing the rules of decorum and the Constitution.

6.5 The Moderator shall have the liberty to speak as any other member or delegate. However, the Moderator, upon exercise of the liberty of speech shall appoint another member to serve as pro tem Moderator while the Moderator speaks. If available, the Assistant Moderator shall serve in this capacity. The Moderator shall resume his duties upon completion of his leave to speak. The Moderator shall not vote unless the vote of the group is equally divided. In such cases, the Moderator shall cast the deciding vote. Unless provided to the contrary herein, all votes of the Association shall be governed by the majority of the Association delegates present. Voting in all cases shall be confined to the body, but corresponding messengers and visiting brethren may aid in council.

6.6 The Hightower Baptist Association is a self-governing body. Meetings shall be conducted such as to afford orderly presentation of motions and business of the body, at all times evidencing a Christian atmosphere of respect and fairness. The Moderator and Parliamentarian shall have the privilege of consulting Robert's Rules of Order, Newly Revised, if necessary.

6.7 Any member of the assembly may appeal the decision of the Moderator regarding a point of order. However, this appeal shall take place at the time the decision is made and at no other time.

6.8 The Moderator shall appoint all committees except for the Standing Committees. The Moderator shall appoint Chairmen of any committee if the committee chair is absent. Chairmen so appointed shall be appointed from the ranks of the existing committee, if possible.

6.9 All items of business before the Association shall be presented by a motion and second in the general business session of the Association.

6.10 The Moderator shall clearly identify the delegate given leave to speak to the assembly. Only one delegate may speak at any time. Unless physically unable to do so, the delegate shall at all times stand when addressing the assembly or the Moderator. No delegate shall be interrupted while speaking, except by the Moderator, or for

cause, such as departing from the subject matter under consideration, exceeding any imposed time limit for debate or speech, use of words of personal reflection or of offense to the body or the doctrine and principles of the Association. No member shall indulge in any practice that may have a tendency to interrupt in time of public speech or would dishonor the Association.

6.11 Any motion made and seconded comes under consideration of the Association unless it is withdrawn. Any motion pending before the Association shall be disposed of prior to another motion being proposed.

6.12 After debate, the Moderator shall restate any motion pending before the body of the assembly and call for a vote. Unless a decision is called for by the body of the assembly, votes shall be oral by method of yea or nay. Decisions of the body of the assembly may be conducted by rising vote for either the affirmative or negative. In extraordinary cases, a secret ballot may be conducted. Secret ballots require majority approval of the body of the assembly.

6.13 No member of the Association shall depart the service of the Association without leave of the Moderator. Anyone absenting himself shall be reported in the minutes as absent without leave. Absences for health or emergency matters are granted without necessity of approval.

6.14 The appellation of "brother," "sister", "brethren" or "sisters" shall be used in addressing each other.

6.15 Committee reports shall be typed and read before the body. Written committee reports shall be submitted to the Clerk not later than the opening of the second day of the Association meeting. Any committee needing assistance with typing may consult with the Parliamentarian or the Clerk. Written committee reports shall be deemed as accepted by the body without further motion, unless objected to by a majority of the body. Committee chairmen, or their delegates, shall read the written report before the body at the time so allotted. One member of the committee may speak before the body concerning the report, unless leave is obtained for other committee members to speak Leave may be granted in the sole discretion of the Moderator, but shall be freely granted. It is not required that other committee members speak before the body. Committee reports may be discussed after presentation, but are received as read without motion or second.

6.16 Alternate speakers, including those delivering sermons, are just that and shall not be required to speak before the body unless the alternate feels led to do so, or if the primary speaker is not available, or with leave of the Moderator or the body.

6.17 The time limit for Committee chairman reports is 15 minutes. All other speakers, including visitors are limited to 10 minutes each. The above listed time limits include the time for reading reports. The Association has traditionally allowed visiting Messengers to speak before the body. Upon consent of the Moderator, such visitors shall be allowed to speak before the body without a motion for a period not to exceed 10 minutes.

6.18 Collections from the assembly for the organizations supported by the Association, or for other matters selected by the Association, shall be restricted to one occasion per day while the Association is in session. Collections shall be conducted prior to adjournment for the noon meal on each day. These general collections shall be equally divided among all supported organizations or charities. Provided however, the Treasurer shall make accommodations for those who desire to make specific gifts to supported organizations or charities. The Treasurer shall supervise all collection procedures.

DISTRICTS, UNION MEETINGS, LOCATION OF ASSOCIATION MEETINGS

Article 7.

7.1 The Hightower Baptist Association shall maintain four districts. These districts may be realigned by the Association upon request and motion to the body or upon recommendation by the Executive Committee. Realignment of any district shall be determined considering the number of Churches in a district.

7.2 The location of the Association meetings shall be conducted through the Union Meetings. The meetings shall rotate sequentially between the 1st, 2nd, 3rd and 4th Districts of the Association. Any Church desiring to host the Association meeting should submit a request or invitation, one year in advance. This invitation shall be submitted through the Union meeting which shall have approved same. Hosts of Union meetings shall be selected one year in advance at the convention of the Union Meeting.

7.3 The conduct of Union meetings shall be subject to the same rules, terms and conditions affecting the Association, when appropriate. In most cases, the officers of the Union Meeting shall be the Pastor of the Church hosting the Union Meeting serving as Moderator, and the Clerk of the host Church serving as Clerk of the Union Meeting. The Clerk of the Union Meeting shall keep a record of the proceedings. The Clerk of the Union meeting shall furnish to the Clerk of the Association the meeting site of the next Union Meeting for the

appropriate district and for the next Association Meeting, if hosted by the reporting district. Each district shall maintain a depository of the minutes of each Union Meeting and shall annually report the location of said minutes to the Clerk of the Association. The various Clerks of the Union Meetings shall cooperate with each other to transmit the previous minutes to the depository designated by the Union Meeting.

DUTIES OF THE CLERK OF THE ASSOCIATION, REPORTS DUE TO THE CLERK

Article 8.

8.1 The Clerk of the Association shall keep a regular record of the proceedings of the Association. The Moderator may appoint assistants at the request of the Clerk. These assistants shall aid and assist the Clerk and Assistant Clerk. The minutes of the Association shall be read and approved before the body adjourns, signed by the Moderator and attested by the Clerk. If the minutes of the Association are so voluminous as to be difficult or excessively time consuming to transcribe at the conclusion of the Association meeting, the Clerk may request the minutes be deferred until publication of the Association minutes; which published minutes shall be approved by the Association at the next annual meeting**.**

8.2 The Association shall furnish the Churches with the minutes of its' proceedings. It shall be the duty of the Churches to support the Association financially and to pay for the printing and assist in disseminating the minutes.

8.3 Each Church having an ordained or licensed minister shall report same to the Association for publication in the minutes of the Association. All inquiries or reports required by the Clerk or the Association shall promptly be provided by the member Churches, specifically including the lists of deceased members. Any Church failing to submit required reports shall be subject to discipline in the discretion of the Association. In extreme cases, discipline may include withdrawal of fellowship with the Association.

AMENDMENTS TO THE FORM OF GOVERNMENT OF THE ASSOCIATION

Article 9.

9.1 Amendments to the form of government may be made only upon presentation of the amendments to the full body of the Association in written form. Amendments may be adopted at any time during the second day of the meeting of the Association. Amendments to the form of government of the Association shall be submitted to the assembly on the first day of the annual meeting.

9.2 In the event that exigent circumstances exist that affect the ability to properly conduct a meeting of the Association, or for any other reason deemed appropriate by the Association, the body, upon special motion, may provide for amendment to the form of government at any time during a meeting of the Association. If a special motion is made, approval of the special motion to consider immediate amendment to the form of government of the Association must occur by two-thirds majority. The vote upon the amendment to the form of government shall only require majority approval.

CHURCHES FAILING TO REPORT, SANCTIONS

Article 10.

10.1 Any church failing to be represented by letter or delegate for a period of two consecutive years shall be notified by the Clerk of the Association that such Church is to be suspended from the list of member Churches of the Association at the next annual session of the Association. Upon report by the Clerk at the next meeting of the Association, the unrepresented Church shall be suspended from the list of Churches of the Association. Any such Church so suspended shall be freely readmitted to membership upon petition by such Church and motion and approval by a majority of the body.

PROHIBITION OF DISSEMINATION OF UNAUTHORIZED INFORMATION

Article 11.

11.1 No person or entity is authorized to mail or disseminate information in the name of the Hightower Baptist Association or call meetings in the name of the Association without approval by a majority of the body of the Association. If the Association is not convened, and in the case of exigent circumstances deemed beneficial to the body of the Association, the Executive Committee, upon unanimous approval of said committee, may authorize the mailing or dissemination of information. ABSTRACT OF PRINCIPLES

ARTICLE 1. We believe in only one true and living God, the Father, Son and Holy Ghost, three in one.

ARTICLE 2. We believe that the scriptures of the Old and New Testament are the word of God, and the only rule of faith and practice.

ARTICLE 3. We believe in the doctrine of original sin.

ARTICLE 4. We believe in man's inability to recover himself from the fallen state he is in by nature of his own free will and holiness.

ARTICLE 5. We believe that sinners are justified in the sight of God only by the merits of Jesus Christ.

ARTICLE 6. We believe in the election of all God's people that they are saved and called according to His purpose and grace given them in Christ Jesus before the world began. II Tim. 1:9 and in II Thess. 2:13. *"But we are bound to give thanks always to God for you brethren, beloved of the Lord, because God has from the beginning chosen you to salvation through sanctification of the spirit and belief of the truth."*

ARTICLE 7. We believe the saints shall persevere in grace and not finally fall away.

ARTICLE 8. We believe that Baptism and the Lord's Supper are ordinances of Jesus Christ; that true believers are the only people subject and the only scriptural mode of baptism is immersion.

ARTICLE 9. We believe in the resurrection of the dead and general judgment.

ARTICLE 10. We believe no minister has the right to administer the ordinances only to such as have been called by God, as was Aaron, regularly baptized, approved by the church and come under the imposition of hands by a presbytery.

He spoke of the resources available to our churches for our use in reaching out to the lost world and how we can take these resources and reach out in our communities to the lost. He had several personal experiences he had encountered and shared them with the Association. He reminded us we have an obligation to take Jesus to the rest of the world and ask the Association churches to be more financially supportive to the area missions.

Brother C. V. Dinsmore came forward to speak about the Georgia Baptist Children's Home. He thanked the Association for their support to the Georgia Baptist Children's Home and the truck loadings before the Associational meetings. He said the children being cared for are changing and it is not just orphans being cared for as it was in the earlier years of the children's home. Brother Dinsmore said he was a product of the Hightower Association and saved at Providence Baptist Church as Rev. John Lummus was preaching. He asked for the prayers of the Association and continued support. This year, 65 children have accepted Jesus Christ as their Lord and Savior.

Sister Peggy Beckett spoke about the Georgia Baptist Retirement Community and how it came about from one lady being concerned about senior citizens and them being taken care of. After years of prayer, The Baptist Village came about in South Georgia, followed years later by the Baptist Homes and Peachtree Inn in Atlanta and today plans are underway for Hiawassee Park in the North Georgia Mountains. The Hiawassee Park was made possible by a lady who felt led by the Lord and concerned about Senior Citizens, to leave her estate to The Georgia Baptist Retirement Village. Sister Peggy said "this is a Victory."

Brother Doug asked for a song as Brother Craig Richard came forward to present the Introductory Sermon. Brother Thompson led "Love Lifted Me." Brother Richard said "Man that is born of a woman is of few days, and full of trouble", Job 14:1.Brother Richard recited several scriptures throughout the Bible relating to trouble, but said God saw the heart and not the outward man. He said God does not look as men do, but that he looks at the heart and not the outward man. He said Jesus is the way, the truth and the life and gives us eternal life. We are going to a place where there will be no more trouble and it is called

Heaven. Brother Richard said he loved the Word of God and that he has troubles at times, but when you feel or have trouble; take it to the Lord in prayer. In closing he said, "He loves you"!

Brother Brody Hughes came forward to present the Youth Ministries Report. He added that children do not need to know about drugs and alcohol, but that children do need to know about Jesus. Brother Hughes said they also need to know about our doctrine, our foundation and principles. He said we do not need to sit on the seats of our churches and do nothing, but that we need to go to those we love and tell them about Jesus Christ. He reminded us children spend 13 years in secular education and we need to teach them about Jesus, prayer and how they can overcome the world.

Brother Carnes asked Brother Richard and Brother Hughes to stand at the door for a handshake. Brother Phill spoke of some heros and one being John Newton the writer of "Amazing Grace", and in closing he asked the congregation to stand and sing "Amazing Grace" in honor of John Newton.

Before the congregation sang, Brother Carnes called for Brother Lee Gaddis to come forward to present the Doctrinal Sermon. Brother Gaddis posed two questions: (1) what as an Association are we teaching? And (2) what as an individual are we teaching? He read scripture from St. Matthew 28: 18-20. Brother Gaddis stated that we should ask ourselves, what example of Christ am I giving to those around me? Everything we do needs to be backed up by God's Word. All answers are in God's Word. Study to show thyself approved unto God. God expects us to study. We should read instructions, our Bible, and get things right and be strong in prayer. We need to stop sitting back, but be the users of the doctrine of the Bible and not of ourselves. Be the Preacher, the Deacon, the Member that God wants us to be. We need to be a healthy church and not let Satan come in.

Brother Ruel Martin was asked to present the Senior Adult Ministries Report. In closing Brother Martin said "don't be worried about the people, but Preach the Gospel."

Brother Byron Burgess was asked to present the Hightower History Report. Brother Burgess stated the committee would do their best to have the new book out to the Churches of the Association this year and asked for us to remember the committee in our prayers. Brother Charles Finley asked the

A move and a second were made and a prosperous and healthy discussion was held. During the discussion Brother Sammy Wright was informed that the Brady Fund would guarantee the payment on the lease of the clothing bank building for another 6 months. Motion failed by a vote. Brother Gerald Blackburn made a motion that the Executive Committee, in their wisdom, selects a group to pursue the possibilities of purchasing a facility to facilitate the food bank and clothing bank jointly.

Motion was seconded. The moderator stated a move and a second was on the floor, that the Executive Committee appoint a committee that would facilitate and purchase of a building that would house the food bank and clothing bank jointly. Motion passed. Brother Gary Coffey made a move that if the Ben Brady Fund chooses to lease for the Hightower Association a building at the current location, that we do that for another six months. "In other words, I make a move we (the Association) continue to pay insurance and utilities on that building for the end of another six months. At the end of that lease, the decision goes to the executive committee on whether to continue." A move and a second were made with some discussion. Motion passed. Brother Scott Grogan made a move that the Hightower Association support the Clothing Bank as it did the Food Bank. A move and a second were made and the Moderator stated that a move and second was on the floor that the Hightower Baptist Association Clothing Bank be established. Motion passed.

Brother Carnes called for the reading of the minutes. Brother Joey Wallace read the first day's minutes from Pinecrest and Brother Roy Doss read the second day's minutes from Haw Creek. The minutes were accepted as they were read by a move and a second and a vote of aye.

Brother Doug called for Thursday's resolution from the Association to Macedonia Church. Brother Roy Doss prepared the resolution and read it before the body. Brother Carnes called for announcements, a thank you and round of applause was given to Brother Joey Jennings for his 12 years of service as Clerk and Brother Doug Carnes closed the 175th Session with prayer.

Thursday's Resolution:
Be it resolved that the Hightower Baptist Association appreciates all the diligent work Haw Creek did to prepare for the meeting. The food was excellent and enjoyed by all who attended. The facilities were outstanding. May God Bless Haw Creek Baptist Church.

Changing of the Guard

A change in leadership is always extremely stressful. Those familiar roads of relationships are immediately littered with unexpected detour signs. It is especially difficult if the man leaving was a giant of a man with pristine integrity, visionary leadership, and a likeable personality all lined up under his obvious love for Christ and His Bride. The year 2010 saw a changing of the guard as Richard Poe felt the Lord leading him to retire from this position he held for 10 years. He is missed by all, and unspeakably admired by me. I am aware daily of the enormous shoes I must fill. These four associations owe a great debt of gratitude for the direction and leadership that has been lavished upon them for the last decade.

Changing of the Address

As I sought the Lord for His wisdom and direction in leading this the most strategically positioned area in the state, I knew it would require a different venue of space and location. The office in Canton had served well for the last several years, but it was obvious with the economic slowdown that church planting would have to take on a new look if we were going to make a dent in the incredibly unreached masses of these counties. At the same time, one of our beloved churches in the Etowah Association was unable to continue and we were able to purchase and renovate this building to make way for a new era of church planting. This building also serves as our office headquarters freeing us from paying rent for the office space and the rental units that housed our trailers. We are moved in, but we still have not unpacked! Whew! We are overwhelmed with the task that lies before us to settle in and make our new address home. Forgive us our renovation woes as we are still piecing it all together.

Changing to Reach a Changing Culture

Churches in every category are experiencing sweeping economic setbacks. Attendance in our churches range from mostly unchanged to modest growth, but giving has plummeted making churches re-prioritize their values and activities. Church planting has slowed to a dismal crawl in our area but lost souls have not! The North Central Office has purchased this property for the purpose of birthing churches, giving them a financial leg up, later planting that church in its desired location, and nurturing it through the difficult starting years. We are pleased to report a church plant in our North Arnold Mill location that was started by Crabapple First in our Roswell Association, a fellowship that almost did not make it through the economic tsunami but are now on the rebound and doing extremely well. They will be here for about 18 more months and will be able to plant this church in the Alpharetta/Roswell area at that time. We will then plant another church in our office worship center and do the same thing again and again.

We will also be offering classes to boost the ministries within our churches. Groups such as deacons, Sunday School teachers, high school students with leadership qualities, and senior ministries. We will also have a resource library and study center for our pastors, bi-vocational pastors, and lay leaders to help enhance their presentations and provide fresh ideas.

Changing our Communities with Church Starts

The following church plants are beginning to take shape:

- Abundant Life Community Church, African-American church, sponsored by Crabapple First and is meeting in North Central's Worship Center, pastor Andre' Blythe
- Tamil Church, Indian church, sponsored by Crabapple First, meeting at Crabapple, pastor Sam Raj
- Haitian Church, looking for a sponsor, meeting at Doubletree Hotel, pastor Rimon Benjamin
- Messianic Jewish Fellowship, sponsored by Towne Lake Community, pastor Gary Maxted

There are two other churches that have not begun the process but will be assisted with sponsorship and pastoral leadership. This is the most exciting part of this ministry and churches are encouraged to pray about sponsoring, planting, or being involved in a church start. This will energize your core families and members like nothing else!

Some Things Aren't Changing!

Some things shouldn't change! Our **Banner Maker** ministry, directed by Curtis Meador, has been a blessing to so many churches allowing them to get the word out regarding special occasions and services. We will only see how we can enhance this ministry and make it more convenient for our churches. Curtis has continued to develop this ministry and can offer fresh ways to use this tool in getting the Word out.

Our **Evangelism Trailer** has continued to be a popular resource, and we are very grateful for the help of Rev. Brian Jones who has been our coordinator this year in assembly and take down. The items in the trailer are beginning to show age but we are committed to improving this resource and make it more useful and appealing. It does attract the attention of your community! Many churches have used the Evangelism Trailer this year for VBS, Block Parties, Fall Festivals, or just a Check-Us-Out event.

Our **Construction Trailer** has been on only two trips this year, but it was helpful in the renovation of our new office. This is an untapped resource that can put some life in any Men's Ministry team. Though it is still not our most popular resource, we do see the potential for this to be more widely used in the future.

Our **Discipleship Materials** are continuing to go back and forth to various churches for their Sunday School or Discipleship Classes. We purchased several new kits this year and will studiously examine all the Bible Study Media that is coming out so that we can offer quality materials to all our churches in a variety of ministry areas. This area of ministry is

by far the most overlooked. Quality teaching from top-rated, professional teachers brought right into your classroom by DVD or video.

Our **Portable Baptistery** continues to be used by some of our non-traditional churches as well as for special outdoor services. This is a wonderful resource that continues to provide "Kodak" moments for our churches.

Lastly, there will be **no change in our staff**. The genius of my predecessor was his ability to select quality people. **Curtis Meador** has proven his worth on many levels, not only for his skills in preaching/teaching and his proficiency with the EMT and the Banner Maker, but he has shown a gifted eye in seeing how to make use of space and improving the logistics of a church campus. I would recommend him to examine your present space to see how it can be augmented for greater efficiency. **Janice Dinsmore** is a thoroughly professional administrative assistant. She is proficient in keeping up with all the files for each of the four associations, and this year we put her to the ultimate test. Organized beyond belief, this lady is sharp, dependable, flexible, and unmatched in her knowledge of the history of this area and the churches and personalities that are associated with it. She has a love for the Lord that bleeds into all that she does with a cheerful spirit and calming tone. It was a difficult year for the Dinsmores, but you would never know it from being around this precious saint. **Ramona Lively** has a grace and kindness about her that adds a depth of charm to our office. She is no-nonsense when it comes to financial waste and misuse of funds. Her integrity makes our accounting trustworthy and exemplary. All of these workers have character, intelligence, a keen sense of humor and above all, living faith in our Lord Jesus Christ. You are BLESSED to have them serve you! So am I.

Georgia Baptist Children's Homes and Family Ministries, Inc.

Associational Report 2010

At Georgia Baptist Children's Home, we're in the "building business." Instead of building structures, **we are rebuilding lives**. So many of the children in our care come to us worn down and hopeless. They come to us from unimaginable circumstances - abuse, abandonment, neglect, drug addiction, unplanned pregnancy, exploitation and difficult family situations. They often come from places of terrible darkness. Many don't think there is a way out or that anyone cares enough to help them. What a joy it is to tell these children their future is not based on their past, but rather on the redeeming love of an awesome God!

Through our programs of residential care, specialty ministries and counseling centers we are able to help children build a brighter tomorrow. Each year we give hundreds of children the tools they need -faith, love, structure, hope - to begin building a brighter tomorrow on the foundation of Jesus Christ. For more than 138 years, Georgia Baptist Children's Home has been the loving hand that reaches out to these hurting children. Our programs have changed over the years to serve the needs of children in our care, but our mission has not. We continue to be a Christian ministry of services designed to promote the spiritual, physical and emotional well-being of children, youth and families.

We are proud of our heritage as an agency of the Georgia Baptist Convention. Since we do not receive Cooperative Program funding, we are especially grateful to many of our Georgia Baptist churches across the state who place us in their church budgets, recognize special offerings for our ministry and participate in associational truckloadings.

Thank you to all associations who hosted truckloadings in 2009! We had 69 associations hold truckloadings which helped tremendously by giving us much needed food, paper products, toiletries and cleaning supplies for our cottages. Additionally, gift cards donated (which had a value of more than $16,000) allowed us to buy the necessary perishable items we needed.

In 2009, we served 696 children through our statewide network of campus residential programs, community group home care, adolescent substance abuse treatment center, maternity care for unwed teen mothers, summer camp program for children with developmental disabilities, farm-based residential care/therapeutic riding center, specialized ministries for children with more severe emotional and behavioral needs and community counseling service centers at our campuses. We continue to minster to all of our children's spiritual needs and show them that true healing and hope only comes through the salvation of Jesus Christ. **We are pleased to share that this past year 57 children in our care made professions of faith!**

Even during these tough times, God has been at work at Georgia Baptist Children's Home. We never forget that He is the Master Carpenter. As long as He continues to send children and families in need to us, we will continue to help them build a brighter tomorrow.

Baptist Retirement Communities of Georgia, Inc.

Report for Associations - 2010

Baptist Retirement Communities of Georgia, Inc. opened its first home in 1967 as Peachtree on Peachtree Inn, in downtown Atlanta. Since that time God has had His hand on this ministry guiding and blessing as we have sold, bought, and built other facilities, steadily increasing and improving our service for senior adults. Today BRC operates Palmetto Park, a lovely 30 acre rural community in Palmetto, Georgia which consists of Willis Cottages, 26 garden cottages for independent retirement living; Baptist Manor, a two story apartment building which has 73 studio and one bedroom apartments for independent retirement living, and Garrison Personal Care which has 24 private studio apartments for assisted living where personal care is provided 24 hours per day, 7 days per week.

The administrator for Palmetto Park is Dave Ballew. His contact number is 770-463-2460.

Clairmont Crest is the BRC community for those who prefer an urban setting. Located in Decatur, Georgia Clairmont Crest has 209 one and two bedroom apartments, all for independent retirement living. This property consists of two 5 story buildings connected with lighted pathways, gardens, fountains, a prayer garden and an in ground swimming pool.

The administrator for Clairmont Crest is Shannon Watson. Her contact number is 404-325-9077.

In the near future we will be building a new community in Hiawassee, Georgia. This community will have garden cottages, a clubhouse for social activities, walking trails and prayer gardens, and a lodge consisting of 59 one and two bedroom apartments for independent living and 24 assisted living studios. This community will sit on 23 acres overlooking Lake Chatuge and Brasstown Bald Mountain.

Our mission is to provide comfortable homes, within a Christian environment, at affordable rates. We have chaplains on staff, and follow a full calendar of Georgia Baptist activities. Our residents participate in Bible studies, prayer services, and mission projects. We have people from all walks of life living in our communities, so we do have professions of faith made in our services, or as a direct result of witnessing by our residents. (Some of whom are retired ministers, missionaries, and convention staff personnel).

Unlike many retirement communities we do not require a buy-in fee. A minimal entrance fee, a small security deposit and then monthly rent is our requirement. As an agency of the Georgia Baptist Convention we are a part of the Co-Operative Program Budget and receive funds each month. Many churches have been led to place us in their budgets, on a monthly or quarterly basis. Individuals have remembered us in their wills; others have established trusts or endowments. These generous gifts help us keep our rents below market prices and provide help to ministers and missionaries. God has blessed and we thank you for your prayers and support. We will continue to be there for seniors as the need arises.

Please visit our web-site at www.brcga.org for virtual tours of all our communities and a full description of our services.

Report of the Representative to the Georgia Baptist Convention

The often neglected Book of Haggai speaks to us today. Chapter 1, Verses 5 through 7, read as follows: "*Now therefore thus saith the Lord of hosts; Consider your ways. Ye have sown much, and bring in little, ye eat, but ye have not enough; ye drink, but ye are not filled with drink; ye clothe you, but there is none warm; and he that earneth wages earneth wages to put in a bag with holes. Thus saith the Lord of hosts; Consider your ways.*"

The week had been long. I look forward to Saturdays just to sleep a few minutes longer. God had a different plan though and His message became more and more compelling. "Get up!! Go downtown!!"

The environment at the corner of Peachtree Street and Trinity Avenue is anything but calming. Hundreds of men, women and children line up each Saturday morning for a bite to eat, a kind word, perhaps on occasion to receive a few personal items. Black, white, drunk, addicted, torn, jobless, on probation, homeless, broken, sick and lost, humanity streams in a never ending repetition before Pastor Clifton Dawkins and his congregation. A chance meeting last year at the Georgia Baptist Convention allowed me to spend some time with this unique man. Serving as Fulton County Chaplain, Pastor Dawkins conducts 400 funerals each year for those buried in pauper's graves, victims of heat, cold, poor decisions, and life. There is no building, heat or air conditioning on that street corner. This is service to God in the most basic form. For those of you in the audience today, please join me in welcoming our brother in Christ and someone I love like a brother, Pastor Clifton Dawkins.

After serving 300 or so needy folks and as we folded tables on that Saturday morning, Clifton and I had a moment to talk. I would soon realize why God had awakened me that morning. Standing before us was a small homeless man and his wife. In his hands were two plastic bags holding everything in the world this couple owned. I listened as the gentleman, Rev. Calloway, as he is known, shared with Clifton and I.

"You see all these people you just fed. They are the poor that Jesus talked about. I live among them and I am able to share Jesus with all that will listen. I am so blessed." I realized that this man with no possessions had all that was needed. If he had anything beyond those two trash bags, he had given it up.

Many of you would agree with me today that our world is at what many call a "tipping point." By that we mean events could turn the world and history one way or the other. Many are living on the edge of a civilized society; many in your church are one paycheck away from living with Rev. Calloway. Our political and social climate is precarious. In a dark look at our current condition, many young people under the age of 25 do not see a life beyond age 35. Our churches are declining in numbers, increasing in debt and young people and young couples are exiting in droves. What happened?

I don't pretend to know all the answers. I can tell you one though. Many in our society do not know Jesus Christ. That simple fact affects marriages, children, schools, society and

our nation more than any economic or world condition. When Jesus became unimportant to so many, hope, faith and love became unimportant to many. Churches have become irrelevant, faith a dated concept and Jesus-He is someone their grandmother talked about.

Remember the desperate woman with the issue of blood who just wanted to touch the hem of the Lord's garment. That woman is symbolic of our society. She was broke, sick and lost just like many around you. They are searching for one touch of something precious to their souls.

I am a son of this Association. I love each of you and this Association, but the Lord burdened me with a message that I have no choice other than to share with you today.

We all have heroes and some are among us today. Travel with me to the late 1700's to learn about a couple of my heroes. Many of you have heard the story of John Newton, the writer of our greatest of all anthems, "Amazing Grace." John Newton was a sea captain who plied the slave trade. After a conversion experience occurring during a storm at sea, Newton eventually relinquished the slave trade to become a minister. As a minister he was influenced by great Christian men such as George Whitefield and John Wesley. While serving as a minister in London, John Newton encountered a young man by the name of William Wilberforce. William began his service in the British Parliament at a very young age. Against the wishes of his mother and grandfather who oddly preferred his gambling and lifestyle of wealthy young men in that era, Wilberforce experienced a life changing encounter with Christ. He became a reformer and a tireless advocate for the abolition of slavery in England. Wilberforce gave up a lifestyle of social acceptance. Evangelical Christians in eighteenth century England were not well regarded and were often ridiculed. We understand that condition today because Christianity as we know it is under attack along several fronts. After being discouraged by that ridicule and rejection, Wilberforce was encouraged to remain in Parliament by John Newton. There Wilberforce fought a long battle for abolition of slavery and social reform. That battle was costly but both the slave trade and slavery ended in England before his death. In a rare display of admiration, Parliament saluted this tireless warrior. His efforts certainly affected the United States and to some extent every one of you sitting here today. Those two men changed the world and they did so by giving up something in their lives.

Let me share the blessing that the formation of our Food Bank has been to me and others. Your selfless and Christ-like actions have benefited thousands. Earlier this week I met with pastors from different Associations and different denominations who complimented this missionary effort and who simultaneously committed a significant financial gift to the Hightower Baptist Association for use in our Food Bank.

A significant number of lost souls have been reached by the work and ministry of this Food Bank. Young and older ministers with and without churches have been placed into service. Willing volunteers have learned about needs in the community, missionary work and sharing the gospel. Children and young adults have been inspired to help others and to serve in many loving manners throughout our area. Yet recently the number of ministers counseling the needy in our community declined. There are several reasons, but one is troubling. A few

have commented and preached that no one can be saved without preaching or a preacher citing Romans Chapter 10, Verse 14. I suspect those in opposition to the sharing of the Gospel at the Food Bank believe that no one can be saved outside a church environment. This commentary is damaging because many of our younger preachers have become frightened to serve fearing ostracism and chastisement by other preachers. That is not the end of it either. Some of that same group has been highly critical of those young men and women serving in a group named Amped 3:15 formed by young people from this Association. Those young people serve the elderly and the young alike and have begun an inspiring initiative to study the Gospel, witness and to be of better service to our Heavenly Father. How could anyone possibly criticize an effort by young people to learn more and to find a deeper level of love and service to the Lord?

This criticism is dangerous to the continuation of this Association because from this criticism revolves a group among us that insists we stay in the "old paths," and that we avoid "untested armor." Christ warned about the traditions of men in Matthew Chapter 15, Verse 9. "*But in vain they do worship me, teaching for doctrines the commandments of men*." This same group questions any new music, any new outreach, discipleship training, missions and often questions any preacher outside of our Association. This group even questions the salvation of anyone who is not saved in an environment that meets their approval, perhaps thinking that the only ones saved are those that are in a Hightower Baptist Association Church setting immediately after hearing a Hightower Baptist Association preacher and then only during the normal revival week during the summer months. As to this group among us, I am being brutally honest; I have been angry and disgusted with this situation for most of this year.

I began to research why we have this group among us. Our history provides some clues. Hightower Baptist Association's founding leaders were Elder Richard Phillips, Elder Alfred Webb and later Elder F. M. Hawkins. The term "Elder" is a common name for Primitive Baptist ordained pastors and that term was used in our Association as late as the 1930's. A portion of our own Abstract of Principles is clearly derived from the 1832 Black Rock Address which defined Primitive Baptist beliefs. A battle for the hearts of our Association began as early as 1841 when several founding churches split from the Association over the subject of "Benevolent Institutions." Those departing churches followed their Primitive Baptist roots by repudiating missions. Primitive Baptists believe in Predestination, Calvinism if you will, and because of that belief, mission work is deemed unnecessary as are Sunday Schools, revivals or camp meetings, and seminaries. Primitive and Missionary Baptists contended with each other in the 19th Century and after one last effort to reconcile near the end of the Civil War, the Hightower Baptist Association became firmly Missionary Baptist in nature, at least for a season.

For a period of time our forefathers were quite progressive founding local schools, publishing a newspaper and supporting missions work. Missionaries were employed by our Association to reach destitute areas. Cooperative Fund giving was encouraged in the 1935 Minutes as was education and training to keep up with "advancing need." Elder F.M. Hawkins was a staunch supporter of our ministers being properly educated. Yet for some reason, that I

have not fully determined, some among us retreated to their Primitive Baptist roots. The Cooperative Fund is now shunned because it supports seminaries; missions are unimportant to many and "change" is a dirty word. How did we forget our founders and forefathers who clearly stood for Missionary Baptist causes? Did we become complacent with the prosperity of the last 50 years? Did we just become lazy expecting the lost to beat a path to our door? Or did we just become fearful of taking a stand for what we truly believe which allowed a dark and false doctrine to become acceptable and expected? Edmund Burke, a contemporary of John Newton and William Wilberforce, once said that "All that is necessary for the triumph of evil is for good men to do nothing." Due to our complacency or fear, at least 7 out of every 10 people you meet are lost. In the next ten years there will be more lost people in Georgia than we have current residents. That is over nine million lost men, women, girls and boys. Minorities will become the majority in this State before the end of the coming decade. That fact should cause all of us to question why we have not established Hispanic missions and an outreach to other minorities. Drive within a block of this church and you will see a mission field to Hispanics and others. Look carefully at those young mothers and children that we have chosen to ignore. There will be eternal and current consequences to our refusal to serve this portion of our population.

Earlier this month the Georgia Baptist Convention shared a report with the Executive Committee that I have copied and made available to you today. The contents of that report cause concern yet highlight exciting challenges for our Christian service. Many of the statistics I share today come from this just released report. I also have a Power Point Presentation available to anyone who requests it. I will be glad to visit your church with the presentation too.

Rather than being concerned about our growing irrelevance to the community and the growing number of lost people, we have retreated in our fears. We fear false doctrine from external sources but we allow false doctrine to restrain and confuse us under the pretext of "old time ways." Our forefathers clearly rejected this false doctrine.

That rejection was for good reason because under threat this group among us will resort to fear, isolation, chastisement, gossip, ridicule and cultism. They have made God a small god because they believe that God cannot handle challenge and change. In their opinion only this group's constant vigilance is considered adequate to address our needs and correct those they believe are out of line. The Almighty God is calling us to be relevant and to reach a lost, sick and dying world and to also cast off the baggage that stands in our way. Are we blessed like Rev. Calloway to share the Gospel with everyone we meet? Or do we feel that strangers are a threat to a way of life? When we are judged, will we answer to the Lord that we excluded all that used a Bible different than the King James Version? Will we answer to the Lord gleefully telling of our exclusion of all that preferred different music, dressed or looked different, were of different races or nationalities and others that just didn't grow up around here? Will we be proud that we kept the sick, broken, nasty sinners out of congregations? Well, we have succeeded. Our report card is in; we have over one hundred thousand of those sick, broken, nasty sinners within minutes of this very church and they have

not defiled our churches with their presence. They don't even know we exist. See how that works out for us on Judgment Day. Is our bag full of holes? Consider our ways.

Jesus is calling us to the mission field. Most of this Association rejected Cooperative Fund Giving a few years back. Not all of you but most, even when you received a gift of the contribution, refused to participate because you say you don't believe in seminaries. That is a very poor excuse. Seminaries train our 10,000 missionaries for all manner of threat and deprivation in areas of the world that not many of you would ever go. Our Primitive Baptist heritage causes us to be one of the worst giving Associations in the State of Georgia. Our support for national and international missions is abysmal and inexcusable. We are Missionary Baptists aren't we? If we are, we need to read and understand the 2000 Statement of Faith and Message issued by the Southern Baptist Convention. And add to that the recent adoption of the Great Commission Resurgence. Only 20 percent of our congregations have a clue as to what the Great Commission is. Check out Christ's last words before He ascended into heaven in Matthew Chapter 28, Verses 16 through 20 and also Acts Chapter 1, Verse 8. Those words charge us to reach the world. Those words are not directed just to preachers but to all of us. We all need to be less concerned about what goes on at Brown's Bridge or Mountain Lake Community Church and more concerned about what is going on and being taught in our own churches. The fastest growing two religions in our State are Islam and Non-believers. Evangelical affiliation, our affiliation, has declined by 28 percent in recent years. Consider your ways.

The mission field is not just within the four corners of your church. Look at the age of your church membership. I would be pretty accurate to say most of your congregations are older than 50 and that there are more gray heads than babies. Those outside our churches do not remember dinner on the grounds, all day singings, legendary preachers of the past, plowing with mules and all manner of traditions that we value. They do know drug and alcohol addiction, shame, embarrassment, broken homes, troubled children, child abuse, human trafficking, confusion, pornography and lostness. That dark world is our mission field and it is within steps of your steeples. We are carrying much baggage and like John Newton and William Wilberforce, it is time to cast it away. You see when we give up everything that stands in our way, wonderful things start happening. Without John Newton and William Wilberforce giving up something in their lives, it is unlikely that my brother and my friend Clifton Dawkins would be with us today. He is a living testament to the love of our Savior. Without his vision those people on the corner of Peachtree Street and Trinity Avenue would not be fed and ministered to and their world would be much bleaker. There would be more lost souls. The actions of two men two hundred years before most of us were born made a difference in this room today and on the streets of Atlanta. Are we letting those actions of Primitive Baptists in 1832 define us today? Is granddaddy or great granddaddy defining your service today? They are dead or dying but we serve a risen living Savior. Cast off the baggage. Quit being keepers of the aquarium and become fishers of men.

God dealt with me, too. I had to consider my ways. My anger was no way to deal with these issues. While studying the Bible a few days ago, I happened to run across Matthew Chapter 7, Verse 4; the scripture about the beam in my own eye. Matthew Chapter 5 talks

about the danger of anger. I immediately understood that I am a sinner saved by Grace and that my righteousness is as filthy rags and that I have fallen far short of the glory of the Lord. I had to give my anger and disgust up and begin loving again. God gave me peace, and I pray that for each of you today. I am well aware that some of you are likely very angry at this message. You'll just have to take that up with the Lord. At least for today, I have been obedient and in that obedience, there is great peace, even joy. I believe God is about to do something wonderful with this Association if we will listen to His gentle but persistent voice.

I am going to ask you make a decision today. That decision is simply to stand up if you agree with what I am about to say. If you are ready to put down our divisions and our anger, stand up. Are you ready to stand up for Jesus and repudiate all that holds us back? If you are ready to quit criticizing our sister churches inside and outside this association, if you are ready to repudiate the Primitive Baptists, if you are ready to define our paths as Christ's paths instead of "old paths," stand up. If you are ready to see revival again, stand up. If you are ready to remove the barriers to those that are sick, broke and lost to join our churches, stand up. If you are ready to take back our nation from the heathen, if you are ready to fight all those things, events and conditions that Satan places in our way, stand up. If you are willing to support and back our young people who serve our churches and communities and specifically Amped 3:15, stand up. If you are willing to instruct young preachers and deacons to follow the Holy Spirit and not man's ways and traditions, stand up. If you are willing to support Missions all over this world and outside the four corners of your church, stand up. If you are willing to give the Cooperative Fund a chance, stand up. If you are willing to discard the baggage that is driving our young people and our young couples away to other churches and denominations or even away from our churches, stand up. If you really mean it, and I mean really mean it, if you are ready to discard the baggage, then stand up. Stand up for Jesus.

For those of you that have stood up, let this day be remembered. Tell your churches, your families your children about this day. Do not be afraid of ridicule, criticism and rebuking for following the path that God has in store for us. It is not too late as all is possible with the Lord. Let us remember those familiar words contained in Joshua Chapter 24, Verse 15 *"…choose you this day whom you will serve…but as for me and my house, we will serve the Lord."*

I am going to ask you to do two other things. Pastor Clifton Dawkins needs your help. We have enough churches in our Association to easily prepare meals for homeless folks each week and in doing so; your congregations and your children will see mission fields like none other. Brookwood and Longstreet Baptist Churches have already done so as did young people from Amped 3:15. You may even be able to meet Rev. Calloway and you may help Brother Clifton reach lost souls. You can provide basic needs; t-shirts, socks, coats, hats, plastic bags, trash bags, a meal and hope. You can begin changing the world one life at a time, one meal at a time. Have no doubt that those of the Islamic faith are there competing for souls.

The second thing I am asking you is this. On October 9th, a breakfast meeting will be held at Longstreet Baptist Church to host all of you and an organization known as Mentor Me. The director of that organization has asked that we provide mentors to children from

unchurched and troubled homes. Faith based mentoring has been asked for and encouraged. You will have permission to bring these boys and girls into our churches. We may have the opportunity to reach as many as 1000 young people just by taking time to care. I have application forms for mentors with me today and we'll have more at Longstreet Baptist on October 9th at 8:00 a.m. For those that need to attend the choir conference on that date, we'll have you out in time to hopefully attend both meetings. We have a chance like John Newton and William Wilberforce to change the world. It is our time, it is the right time.

Lastly, I ran into Rev. Calloway downtown a few weeks ago. I told him what a blessing he had been to me. His response after looking over those hungry, broken lives assembled around us on that street corner in Atlanta, "This is the church that Christ talked about. I am here to edify the church." If we consider our ways, so are we, so are we.

A Vision Moving Georgia Baptists Toward 2020

Population Projections
There are two primary population projections that will effect how we as Georgia Baptists minister to and evangelize the ever changing population of Georgia.
Page 1

Societal Shifts
Georgia is experiencing two unique societal shifts that will redefine the landscape of our culture and will make us take a hard look at how we approach our ministry strategies.
Page 2

Cultural Influences
Two primary cultural influences that relate to how we receive and assimilate information will challenge Georgia Baptists to rethink how we communicate truth to this culture
Page 2

Community Challenges
With a population trending away from Christian values, Georgia Baptists must take the lead in addressing two primary community challenges that could have a devastating impact on our culture.
Page 3

Religious Realities
There are two primary religious realities that are reshaping the landscape of spirituality in our culture. Georgia Baptists must understand and address these issues.
Page 3

Possible Responses
It is not enough to be informed but Georgia Baptists must respond appropriately to each of the realities and challenges facing us over the next 10 years.
Page 4

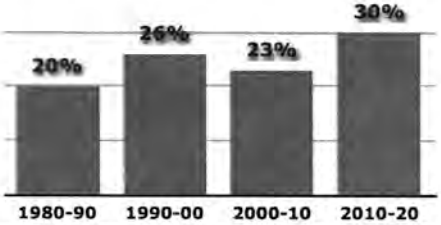
OBSERVATION # 1

Population Projections

One thing is for sure about the population of Georgia over the next 10 years, it will change!

The amount of growth expected in Georgia by 2020 is considered to be a part of the drastic shift in population to the Southeast region of the United States. This shift will have a dramatic impact on the ministries and churches of the Georgia Baptist Convention.

Georgia Population % Growth



Projection #1: EXPLOSIVE GROWTH

It is estimated that because of issues like a preferable climate, lower cost of living and job opportunities Georgia will experience a 30% population growth over the next 10 years.

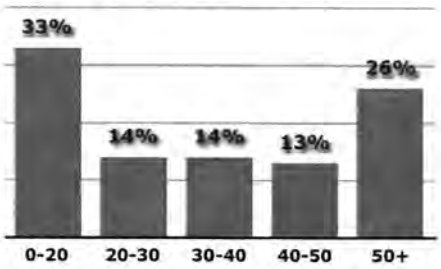
This population explosion will make Georgia the eighth largest state in the nation and the majority of the growth will come in the urban areas of the state. It is expected that 12 primarily urban or suburban counties will experience a growth rate of 75% over the next 10 years.

This explosive population growth will put a massive strain on infrastructures such as roads, schools, utilities and our Georgia Baptist churches.

Projection #2: POPULATION POLARITY

Georgia is in the unique position of having it's population growing both younger and older at the same time. It is estimated that 33% of Georgia's population will be under the age of 20 by the year 2020. In that same time frame the percentage of those over the age of 50 will make up 26% of the population. The population of those 65 and older will almost be double of that age group just 10 years ago.

GA Population Age Distribution 2020



The younger population growth will be primarily made up of non-anglo individuals. While the aging population is primarily made up of anglo individuals.

The population polarity will create a smaller working class and a larger dependent class.

OBSERVATION # 2

Societal Shifts

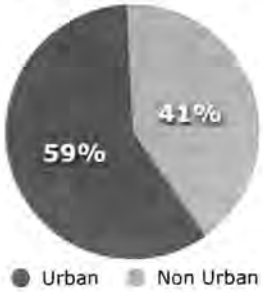
The make up of the population of Georgia is shifting in where it locates and what it looks like.

Georgia's population will not only be growing but it will be relocating primarily to urban areas around our state. The population will also be undergoing a radical shift in ethnicity making Georgia a center for multi-cultural diversity.

Shift #1: URBAN EXPANSION

Over the next 10 years four of Georgia's urban areas (Atlanta, Columbus, Augusta, Savannah) will experience a growth rate of 75%. By 2020 it is estimated that 59% of Georgia's population will live in an urban center. These urban centers will not only be experiencing a growth in population but also a growth in their geographic influence.

Georgia Urban Population 2020



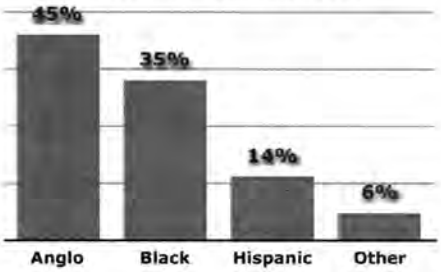
The growth of urban areas will blur the lines between urban, suburban and rural culture. This blurring of the lines will lead to social interactions determined more by shared cultural values rather than location and ethnicity.

Georgia Baptist churches must look at how to reach and minister effectively in these growing urban areas.

Shift #2: ETHNIC EQUALIZATION

Georgia's population is also shifting from a majority dominated population base to a multiple minority population base. By 2020 for the first time in it's history Georgia will not have an ethnic group with a majority of the population base. It is estimated that by 2040 Georgia will be populated by three almost equal ethnic groups (anglo, black, hispanic).

GA Ethnic Distribution 2020



This ethnic shift means that societal influence will no longer be determined by one primary ethnic group.

OBSERVATION # 3

Cultural Influences

The transmission and assimilation of information will be one of the defining influences in Georgia by 2020.

Over the next 10 years Georgia will experience a revolution in how individuals access information and how they assimilate that information into their daily lives. A majority of the traditional means of communication are in steep decline and many are projecting a rebirth of mass communication at the expense of media sources such as traditional print newspapers and nightly TV news shows.

Influence #1: REVOLUTION IN INFORMATION ACCESSIBILITY

Easily accessible technology, such as smart phones and ipads, are increasing the exchange of ideas and information across cultural and geographic barriers. It is estimated that 83% of all Americans have a cell phone and 86% have access to the internet.

Georgian's are getting their information in different ways than they did just 5 years ago. This information is not just the news and weather, but information that impacts every area of their daily lives. Current technologies are becoming the primary medium for information delivery.

This will and must effect how Georgia Baptist churches communicate the truth of the Gospel in the immediate future.

Influence #2: REVOLUTION IN INFORMATION ASSIMILATION

The manner in which people process information is being shaped by the means through which they receive the information. Information is not trusted anymore just because someone said it. Anyone, anywhere can speak their opinion on any topic and have it immediately available for anyone in the world to access. People are not just wanting to know the facts, but now they are wanting to know how other people feel about those facts.

There is a growing shift in how truth and information is conceptualized and communicated in this culture. Georgia Baptists must be leaders in effectively communicating God's truth to this culture using current technologies.

Community Challenges

As Georgia grows so will the moral and social challenges that it will face over the coming years.

These challenges deal with maintaining the value of each person created in God's image and with maintaining the standards of God's truth.

Challenge #1: HUMAN EXPLOITATION

With the rise in societal secularism the devaluing of the human individual for the selfish fulfillment of depraved cultural desires will also increase.

- In 2009 Craigslist made $36 million on sex ads
- In 2009 it is estimated that the prostitution trade in America generated $14 billion
- In 2009 the porn industry grossed over $13 billion in income

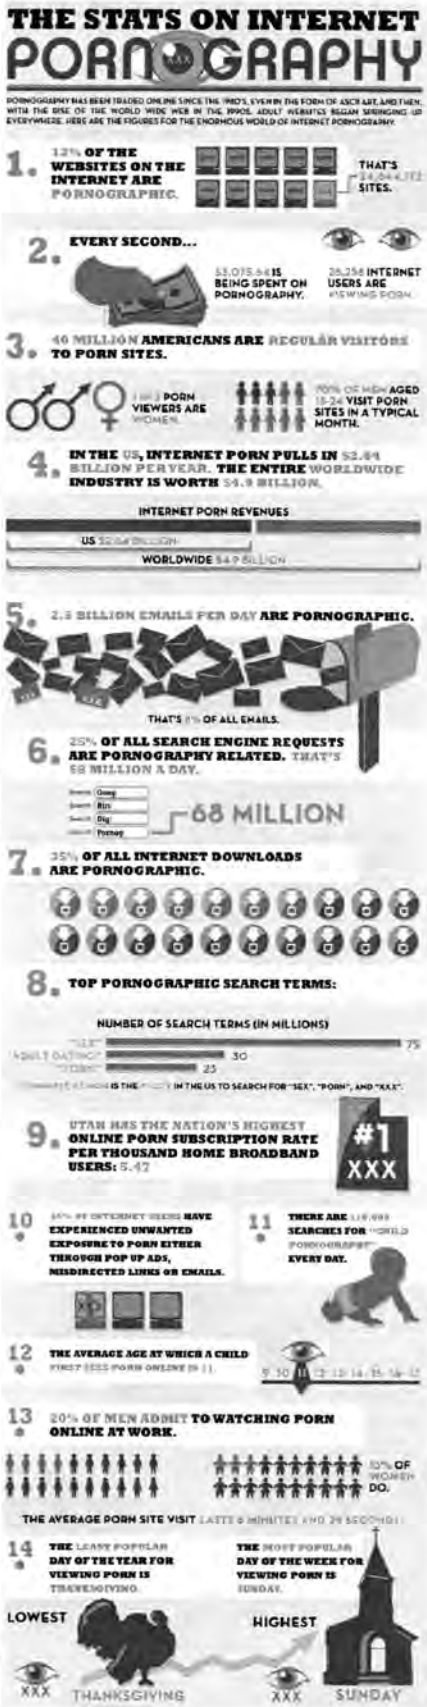
There will be a continued rise in abusive practices such as human trafficking, pornography, and addictive behaviors, as self-gratification becomes the cultural norm.

Georgia Baptists must take a stand against such exploitation and fight for those that are victims of such acts and industries. We should be the leaders in fighting for the value of every human.

Challenge #2: SOCIAL DETERIORATION

Culture is redefining the social norms related to marriage, family and personal relationships. This redefining has created a confused culture devoid of truth not knowing their need for or the source of redeeming truth.

Georgia Baptists must take the lead in communicating and living out the truth of the Gospel to our culture. To do so we must engage and influence our culture.



O B S E R V A T I O N # 5

Religious Realities

The shifts in population and culture will dramatically effect the spiritual and religious climate of Georgia.

Over the next 10 years Georgia will face some new realities when it comes to understanding the basic religious climate of the culture. Gone are the days of Christianity as the primary spiritual influence.

Reality #1: RELIGIOUS DIVERSITY

With an increasing population and ethnic makeup Georgia will experience a growth in religious diversity.

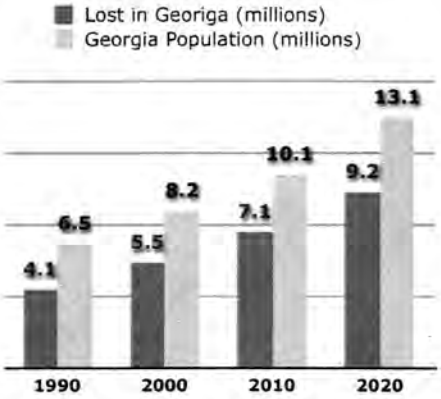
- 63% of Georgians claim a religious affiliation (From Baptist to Buddhists)
- However evangelical affiliation has seen a 28% decline in recent years

With this growing diversity Christianity will no longer be viewed as the primary religious factor in community values and decisions.

Georgia Baptists must fully understand and embrace their religious beliefs and be willing to engage people from different spiritual backgrounds in conversations about the Gospel.

Reality #2: GROWING LOSTNESS

With the expanding population and growing diversity of religious influences, Georgia will experience a massive increase in the number of people who do not have a relationship with Jesus Christ. In 2010 there will be 9.2 million people in Georgia that don't know Christ as Savior.



Possible Responses

Such information about our culture demands more than just presentation it requires a response.

THREE KEY QUESTIONS WE MUST ASK:

SEPARATE FROM CULTURE?

How can we reach a culture we are separated from?

FIGHT AGAINST CULTURE?

How can we win a culture we are fighting against?

BE RELEVANT TO CULTURE?

How can we influence a culture we are trying to imitate?

COUNTER TO CULTURE!

My prayer is not that you take them out of the world but that you protect them from the evil one. They are not of the world, even as I am not of it. Sanctify them by the truth; your word is truth. As you sent me into the world, I have sent them into the world. – John 17:15-18

Response #1

The new **demographic reality** throughout the state of Georgia will demand that Georgia Baptists develop **multiple strategies** that will effectively penetrate the increasing lostness of Georgia.

Response #2

The increase in both the **younger and older population** will present Georgia Baptists with a new challenge which requires **innovation and creativity** in ministry to both populations.

Response #3

The **changing demographics** of Georgia requires that Georgia Baptists and the convention's organizations include a **diverse racial environment** and reflect a **multi-ethnic population**.

Response #4

Georgia Baptists must respond to the growing, **diverse population** in the **urban areas** by developing and implementing **intentional, multi-faceted church planting**.

Response #5

Georgia Baptists must respond to the need for **making disciples** by developing and implementing disciple-making processes to strengthen the ministry of **existing churches, churches in transition, and new churches**.

Response #6

Because of the **increasing lostness** in our culture and because of the **decreasing evangelical influence**, Georgia Baptists must ensure that every plan, ministry and response must be **totally focused on changing the state of lostness** in Georgia.

Serving & Sharing Christ Throughout the World

2010 Women's Missionary Union Report

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even *unto the end of the world. Amen. Matthew 28:19-20*

As you know, WMU is a missions organization that exists to promote the fulfillment of the Great Commission through Baptist churches. The Hightower Association WMU meets twice a year for the Fall Missions Celebration and The Pastor's Appreciation Dinner in the Spring. Each year the Hightower Baptist Association WMU committee attempts to gather from each WMU in the association a list of the various projects and missions WMU has supported during the church year and their goals for the coming year. This year we were once again blessed to hear what the Hightower Association WMUs were doing to share the love of Jesus Christ with our community, state, nation and the world. Upon receipt of descriptions of the missions projects and activities of each WMU, we were overwhelmed at all that our WMUs are doing with the support of our churches and we recognize that no WMU would be successful without that faithful support. For that we are most grateful.

We are greatly blessed to have missionaries from our area serving at home and abroad. WMUs within the Hightower Association continue to support these missionaries both in prayer and financial support. Globally, Hightower Association WMUs support missionaries to Bolivia, Haiti, Mexico, Uganda and South Africa. Most every WMU in the association coordinates their church's annual Lottie Moon Christmas Offering in support of International Mission Board missions. They also help to support mission trips to Haiti and Jamaica. Through our support of missions such as Heart for Africa, United World Mission in Thailand, Byelorussian Mission, Samaritan's Purse, Operation Christmas Child, and the North Georgia College and State University Campus Outreach Summer 2010 mission trip to South Africa, WMU was able to support missions all over the world.

On a national level, Hightower Association WMUs also organized the collection of the annual Annie Armstrong Easter Offering in support of North American Missions, supported a mission project in Boonesville, Kentucky, Lakeview Baptist Church in Ohio, Whispering Hope, and Loaves and Fishes in Lynch, Kentucky. We also supported our troops in prayer and by collecting and sending DVDs and care packages to the soldiers stationed in Afghanistan and Iraq.

Throughout our community and the state, our WMUs helped to support the Georgia WMU's Esther Fund and organizations like Challenged Child, Juvenile Diabetes Foundation, the Breast Cancer Foundation, Abba House, Jessie's House, Cherokee MUST, Relay for Life and a Dahlonega-based organization that cares for abused and neglected girls. In addition to working at the Hightower Association Food and Clothing Banks, WMU members have organized church donations for "back to school" items, toiletries and Bibles for local families in need. We also provided grocery gift cards and Christmas gifts to needy families in the Hightower Association community.

One of WMU's primary purposes is to undergird the work of the church. Hightower Association WMUs have continued to do this by providing meals to the bereaved, visiting the sick and shut-ins, making donations to those who are sick or in need, organizing new church directories, supporting the church building funds, purchasing Bibles for the church sanctuary, a new church sign, remodeling the church's ladies restroom, organizing delivery of Christmas cards within the church and publishing the church newsletter. We have honored our pastors and their families on Pastor's Appreciation Day. One WMU worked to make a Pastor's Quilt. Many WMUs honor their shut-ins, senior citizens, widows and widowers with visits, cards and gifts at Thanksgiving and Christmas and by recognizing members over 90 years of age on their birthdays. WMU supports the youth in our churches by recognizing the achievements of those graduating on Senior Sunday, sending care packages to those away at college and supporting Church Camp and Vacation Bible School. We also provide Bibles to new babies, those who are baptized after Summer Revival and those graduating from high school and college. One particular WMU organizes a Fellowship Lunch for each day of Summer Revival and another organized a ladies' day retreat with Bible study for the ladies in their church.

Our prayer is that every church in the Hightower Association would have a WMU so that we could do more to help spread the Gospel of Jesus Christ to each and every corner of the world. We look forward to continuing to support our churches, community, nation and world. We pray that we will lift up the name of our Lord and Savior, Jesus Christ in all that we do and listen for God's call and be obedient to that call so that ALL people might know HIM.

2009-2010 Benevolence And Disaster Relief Report

1st Corinthians 15:44 states "There is a natural body, and there is a spiritual body." The Lord has feed the people that came to the food bank with natural food but he has also supplied them with manna from on high. Sometimes with preaching, spiritual testimony ,just talking about the Lord, but always closing with a prayer we have seen many people , even complete families accept God as their Savior. We saw families bring brothers or sisters back the next month to hear the word.

Some came to pray and talk with a preacher saying they didn't need the food. Some came for the food but most left the preachers station with a tear in their eye and feeling better about the next week ahead. Many times we would stop and bow our head as we went by the stations because of the Power and Spirit of the Lord that could be felt. I thought back of the times as a young boy I heard prayer going up in one accord for the Lord to send his convicting power and saving grace upon us. This is what has been felt and prayed at the food bank by the helpers and the preachers.

This past year we gave over 216,000 lbs of food. .This went out in over 5000 boxes of food. Our highest number was December with over 500 families coming to the food bank. The smallest number was 137 families during the ice storm in January. These monthly numbers does not include home deliveries. Uncounted request for Bibles in English and Spanish were taken care of by the Bibles you donated.

This could not be accomplished without all the help and support from the churches. Every church has stepped up for the Lord when they were called upon. Whether at the food bank or the clothes bank you worked with a smile and let your Christian light shine. We need your continued support and prayers.

We would also like to thank Lamar Dinsmore and his group for stocking the food and driving the truck to pick it up when needed.

We had 2 members attend the International Disaster Training with Kim Reed going to Haiti and then Tucker, GA to work. 8 Churches worked together in Waveland, MS area to hold Vacation Bible School this summer at the churches we help rebuild after Katrina. Relief & Mission trips were taken to Ohio, Kentucky, Tennessee, Montana, West Virginia, Mississippi and North Carolina.

We would like to thank all the churches, individuals, businesses, corporations and organizations for the donations and American Proteins for the proceeds from the fishing tournament.

Please continue to do what the Lord burdens you to do for the food bank and the clothes bank. You are welcomed and needed anytime you would like to work.

2010 MORAL ISSUES COMMITTEE REPORT

2 Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

The dictionary describes morality as a doctrine or a system of moral conduct. Secular morality merely suggests appropriate behavior that coincides and conforms to the ideals of the day. We as Christians, of the Hightower Baptist Association, know that morality is founded on the fundamental Christian principles of truth and right conduct rather than on the legalities and customs that the world suggests. Christian morals are built upon the standards of right and wrong that Jesus Christ himself exemplified. As a true Christian we should strive to uphold and teach the moral principles of right and wrong in our personal lives by example to others. Too many times, out of convenience sake we "*conform to the things of this world*." The consequence of conformity and immorality weakens our Christian influence and testimony for those who most need to hear the gospel of Jesus Christ. We are living in a society that consents to immorality as the acceptable form of moral conduct. If we continue in the legalities and customs that the world suggests we will find ourselves and our Churches in spiritual bondage.

God spoke to Solomon by saying: "*But if ye turn away, and forsake my statutes and my commandments, which I have set before you, and shall go and serve other gods, and worship them; Then will I pluck them up by the roots out of my land which I have given them; and this house, which I have sanctified for my name, will I cast out of my sight, and will make it to be a proverb and a byword among all nations. And this house, which is high, shall be an astonishment to every one that passeth by it; so that he shall say, Why hath the LORD done thus unto this land, and unto this house? An it shall be answered, Because they forsook the Lord God of their fathers, which brought them forth out of the land of Egypt, and laid hold on other gods, and worshipped them, and served them: therefore hath he brought all this evil upon them." 2 Chronicles 7:19-22*

The wonderful truth is that morality is in itself a dedicated holy treasure that future generations may find the way to Christ Jesus. Consider that when all the work that Solomon had done to build the house of the Lord was finished he brought in all the things his father David had dedicated and put them among the treasures of the house of God. The items that were placed in the house of God had been dedicated to the Lord and stored up for future generations in a lively hope that God would abide with them. God promised that as long as his people, who were called by His name, would live morally and in humbleness that He would forgive their sin and heal their land.

We encourage our Churches to teach and demonstrate goodness, correctness of character and Christian behavior by following these tenets of Christian morality:

> **Chasteness**: that we may remain morally pure.
> **Goodness**: that we may be morally admirable. *"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." Matthew 5:16*
> **Honorableness**: that we may be worthy of being honored as an honorable servant to our Master! *"His lord said unto him, Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord." Matthew 25:21*
> **Righteousness**: that we may be characterized by Jesus' standards and morality. *"Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much." James 5:16*
> **Virtuousness**: that we may be transformed to Jesus' standard of truth and bring him honor. *"A virtuous woman is a crown to her husband: but she that maketh ashamed is as rottenness in his bones." Proverbs 12:4*

Sunday School Report

Sunday School is important for the work and spiritual welfare of the church; a church with a strong Sunday School program has a bright future. Sunday School is the place for the work to begin.

The work starts with people that pray for Gods direction. God's direction will set in order the need of every church. His direction will put in place teachers that make a class enjoyable, and will stimulate the students in the word of God. The teachers will be well prepared, enthusiastic, and have a Great love of teaching God's word. God's word brings to light the wonderful plan of salvation and during Sunday School students get a quiet stress free time to ask the questions that are on their heart. Also, God's word prepares students for the world they will encounter, and establishes them in the biblical doctrinal principals that this association was founded.

The spiritual welfare of the church is related to the work of Sunday School. During Sunday School students become more familiar with the scriptures and are able to have a deeper relationship with the Holy Sprit. Paul told Timothy "Study to shew thyself approved unto God." Paul knew that studying the scriptures leads to a deeper spiritual relationship with the Lord for individuals, which leads to a deeper spiritual relationship for the church. To be stronger in the Lord, we must not approve of extracurricular activities that take away from Sunday school and the worship hour of the church. Showing approval to these activities weakens the church, and lets the world know, we are not serious about our devotion to the Lord and his work.

A Great duty has been left to our care and it's our responsibility to see that the Work of the Lord is carried to the fullest.

David Bobo said "If one generation looses passion for God's work, then what does the future hold."

Recommendations:

1. Encourage everyone to get involved, and encourage them to invite others.
2. Develop a class for all new members and teach the doctrinal principals of the church.

2010 Senior Adult Ministries

We the committee feel that we should stop and give God thanks to all our elders from the very beginning to our present time in our association and each Church for the humble way they reached out to God in prayer for all of us so that we could be where our Churches and Association are today. They loved the old paths and tried so hard to work therein. So let us keep humbly working and praying in our old age. Do you remember Caleb and what he asked for in his old age? So let us look at the Word of God about Caleb again and be encouraged to go on in our old age. Joshua14:6-14 says "Then the children of Judah came unto Joshua in Gilgal: and Caleb the son of Jephunneh the Kenezite said unto him, Thou knowest the thing that the LORD said unto Moses the man of God concerning me and thee in Kadeshbarnea. Forty years old was I when Moses the servant of the LORD sent me from Kadeshbarnea to espy out the land; and I brought him word again as it was in mine heart. Nevertheless my brethren that went up with me made the heart of the people melt: but I wholly followed the LORD my God. And Moses sware on that day, saying, Surely the land whereon thy feet have trodden shall be thine inheritance, and thy children's for ever, because thou hast wholly followed the LORD my God. And now, behold, the LORD hath kept me alive, as he said, these forty and five years, even since the LORD spake this word unto Moses, while the children of Israel wandered in the wilderness: and now, lo, I am this day fourscore and five years old. As yet I am as strong this day as I was in the day that Moses sent me: as my strength was then, even so is my strength now, for war, both to go out, and to come in. Now therefore give me this mountain, whereof the LORD spake in that day; for thou heardest in that day how the Anakims were there, and that the cities were great and fenced: if so be the LORD will be with me, then I shall be able to drive them out, as the LORD said. And Joshua blessed him, and gave unto Caleb the son of Jephunneh Hebron for an inheritance. Hebron therefore became the inheritance of Caleb the son of Jephunneh the Kenezite unto this day, because that he wholly followed the LORD God of Israel."

Hightower Baptist Association
Music Committee

September 29, 2010

Dear Sisters and Brothers in Christ,

Psalm 95:2 says, "Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms." We believe, as a committee, that all of us that have been saved by God's amazing grace know the importance of music in our worship services. We know the main ingredient in a service, that is pleasing unto the Lord, is that His Sweet Spirit would lead in all we do.

Some special events our committee has been led to do this year include: a Choir Workshop and an Associational Choir Concert. The Choir Workshop will help educate and enhance us as we all strive to do our best in serving the Lord in song. This will be held on October 9, 2010 from 9:00AM to 12:00PM at Oak Grove Baptist Church. The Associational Choir Concert will feature the choir along with other local groups within our Association. It will be held November 13, 2010 at 6:00PM at Oak Grove Baptist Church. There will also be a love offering taken up during this service for our Hightower Baptist Association Food Bank. We desire to have all churches attend both of these upcoming events.

The committee, as in previous years, coordinated the singing school's scholarship for two children, who desired to learn more about the gift of music. The scholarship fund is in memory of Jim and Rebecca Fagan and Ronald Martin, who spent their lives using their God given talents to educate and further the knowledge of gospel music.

As a committee, we recommend that we would always be able to send at least two children to the singing school, to instill in a child the importance of gospel music. We also recommend there's always events, within our Association, that would unify our sister churches. The choir workshop and choir concert is just a couple of ways for this to be achieved. We may all come from different churches, but we are all members of The Church and one day we will all be able to sing praises to God with a perfect and beautiful song that will never end. The committee is humbled and grateful for the confidence you have placed upon us to serve this past year as your Hightower Baptist Association Music Committee.

With Much Love and Respect,

The Hightower Music Committee

2010 EVANGELISM AND CHURCH GROWTH COMMITTEE REPORT

As the Committee of Evangelism and Church Growth we believe that there has never been a time in the history of our Association in which there exists a greater need for evangelism and church growth. As we pray and meditate on our Lord's calling for His church to be on mission with Him and for Him and to reach the lost and dying world, our eyes are opened to the field around our door steps that is "white already unto harvest." We are startled at the enormous numbers of lost people in the United States of America and especially in our own communities. And, we begin to question ourselves as to whether or not the church is truly fulfilling the great commission that our Lord Jesus Christ commands us to be about. We believe that there is a need today for the Church of the Living God to be truly heartbroken for the lost souls that we are coming into contact with every day of our lives. The Bible teaches us that we must have a broken spirit and broken and contrite heart (Isaiah 57:15, Psalm 51:17) to be in proper fellowship with God so as to spur spiritual growth in our lives and in our churches. When this spiritual growth occurs in the life of the believers, then we will possess the desire and the holy boldness to share how God is at work in our individual lives and in our church. So that through this personal and church led evangelism, God's Word will have the impact that He desires in our communities.

In order for the Church to add members daily as we read in the book of Acts, the Gospel must get outside the four walls of the church. Clearly we know that God has a plan for His Gospel message to go out to the world and that His plan is for us, His born again believers, to carry His message as His Word calls out in 2 Cor. 5:18-20. While it is true that all of us may not be called to be preachers, we believe that each of us is called to be a "reacher." It is expedient that born again believers live unashamed to let the world know that we are saved from our sins by God's amazing grace and to share our testimony just as God's Word tells us in Psalm 107:2, "Let the redeemed of the Lord say so… ." We as believers must daily surrender ourselves to the leadership of God's Holy Spirit and draw encouragement from the early disciples of Jesus and, like them, constantly have the Holy Boldness to let our light shine.

Furthermore, we the committee believe that in order to make a difference in the world, we must be different from the world. We must act different, talk different, think different, and walk different. Just as 1 Peter 2:9 teaches us, it is imperative in these changing times that we truly live as a chosen generation, a royal priest hood, a holy nation, a peculiar people. Being sure in our faith in Christ that living a God centered life and sharing our personal experience of God's saving grace will encourage other believers and stir the hearts and minds of unbelievers.

We believe that we do not have to look any further than our local churches to see a wonderful example of what God is calling each of us to do. As we listen to and observe the children and youth in our churches, we see a Christ centered belief, a heart felt burden and a Spirit filled boldness in them. Our children and youth are grasping the reality that God wants to use them to reach their lost friends for Christ. Certainly we all experience the stirring of God's Holy Spirit in each of our hearts and souls as these young people share their personal testimony before the church and their friends and as they humbly share their burden for their lost friends to come to know Christ as their Savior. Most all of us can remember times when we have experienced the awesome power of God working through the church to reach unchurched and lost children. Then after these children accept Christ and become involved in church, their parents soon follow them to church and ultimately the parents are led to a saving knowledge of Jesus Christ.

When we obtain a broken heart and contrite spirit we will become humble as a little child before God, live as a peculiar people and our spiritual eyes will be opened. We will see lost people all around us in need of a Savior. We will be empowered by God's Holy Spirit with a Holy Boldness to tell those around us the Good News that Jesus loves them. Then we, the church of the Living God, can say to the lost world as Peter and John said to the lame man in Acts 3, "Look on us." While there is no need or reason to change anything about the way we worship our Lord Jesus Christ, there is an urgent need to constantly carry our Spiritual and Biblical knowledge and Worship of our Lord Jesus Christ outside the four walls of the church. Because regardless of the changes that may occur in our society in these uncertain times, the message of the Gospel remains the same. Jesus is the answer!

2010 BROTHERHOOD/MEN'S MISSION

We the committee for the Hightower Brotherhood/Men's Mission Group have prayerfully discussed the need and importance for all churches to have a Men's Brotherhood. We sent letters to all the Hightower churches urging them to start a brotherhood group or some type of men's ministry. The letter also invited all men of the Hightower Association to a Prayer breakfast that was held at Macedonia Baptist Church on May15, 2010. We had 85 Men present from Churches throughout the association. The Lord allowed us to feel his presence through songs, which were lead by men from all four of the association's districts. God's divine word was sent through Rev. Doug Carnes, Rev. Garry English and Rev. Allen Dixon. The message was very powerful and all were filled by the Holy Spirits presence. The committee believes our purpose is to serve God in humility; to serve all men of the Hightower Association in brotherhood; to serve our families in love; and to serve our Church and community in faithfulness and to serve the Lord so the lost can be saved. The committee wants to see the brotherhood grow and become the mentor God would have us to be for all the young men within our churches.

God's Promise to all of us:

2nd Chronicles 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

The committee encourages participation from all Churches and each man from the association in building a strong and obedient Brotherhood Group.

Respectfully

2010 Discipleship Training Committee Report

A survey of all Southern Baptist Churches revealed that seven out of ten were not growing in attendance, or were declining. Additionally, over half of young people attending youth groups today are leaving the church in their twenties. How do we reverse this trend?

The committee recognizes that today's generation is faced with many challenges that our forefathers did not face: the majority of people move every five years; more interaction with non-believers over the internet; many fall prey to false teaching and cults, and many other factors. These lead to a falling away from the church.

The Bible says in Colossians 3:7 "Rooted and built up in Him, and established in the faith, as ye have been taught, abounding therein with thanksgiving". The Bible warns against having a shallow foundation and not to be "carried about with every wind of doctrine, by the sleight of men, *and* cunning craftiness, whereby they lie in wait to deceive;" (Eph. 4:14). Bible Truth is the anchor of the soul. Thus, we must not only win people to Christ, but ground them in the Truth.

The Lord Jesus Christ left us that responsibility: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, *even* unto the end of the world. Amen" (Matt. 28: 19 - 20). "Teach" means "make disciples". A disciple is one that learns and follows the teachings of Christ. A faithful disciple will share that knowledge and wisdom with others, making them a disciple as well. We see the pattern of the early church in Apostle Paul's command to Timothy, one of his disciples: "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." (2 Tim. 2:2). Thus we see the purpose of discipleship is being grounded in the faith to enable us to teach others what we have been taught. The importance of discipleship is obvious from that fact the word "Christian" appears 3 times in the New Testament, while "disciple(s)" appears 273 times.

The recommendations of the 2010 Discipleship Training Committee are to encourage all members of the Hightower Baptist Association to:

- Enthusiastically support all church meetings and missions.
- Learn of the available resources for teaching and training for Discipleship. These include Sunday School, Women's Missionary Union, Brotherhood, youth groups, Senior groups, and weekly Bible studies.
- Use these resources to give them a firm foundation in the faith.
- Exercise that faith by being a faithful witness to others
- Prayerfully seek out others in their church family with whom they can help build up their faith by sharing what God has taught them.

Executive Committee Annual Report

September 30, 2010

The first meeting of the year was held on December 14, 2009. The by-laws were read and the duties of the Executive Committee were covered so all of the new members of Executive Committee understood that the committee had the authority to act and carry out business for the Association when the Association was not in session. All Standing Committee members were selected to serve and some chairpersons had to be replaced or named due to the inability to serve. The representative to the Georgia Baptist Children's Home was also named.

It was voted upon that all previous years' motions concerning the operation of the food bank still be used concerning the application of grants, fund raisers, distribution of food and all printed materials distributed in food boxes. The committee also gave authority for a debit card to be obtained for the purchase of gas and other expenses to operate the food bank more efficiently. The food bank financial report was also presented and all was found to be in order.

The committee also directed the treasurer to place $ 5000 out of the general fund into the D&B account for special needs of families.

The committee was informed that Brother Sammy and Sister Dianne Howell were resigning from the clothing bank and gave us a 6 month notice. The committee gave authority to the Executive Committee Chairman and Clerk to draft a letter and mail to churches asking for their prayers and to see if anyone felt led to take over the clothing bank.

The Executive Committee also approved that the 3rd Annual Association Revival be held with Silver City Baptist Church. The committee also approved that all advertising costs in newspapers and flyers be paid out of the general fund of the Association. The revival will be held starting the 3rd Sunday in October and run for three evenings.

The committee was informed that Brother Buddy Lang wanted to donate a sign for the food bank and it was gladly accepted and approved by the committee as well. The Clerk sent Lang Signs a thank you note in the name of the Association.

It was also mentioned that the Executive Committee look into the purchase of a new computer system and server to make record keeping and office duties more efficient.

The second meeting of the Executive Committee was held on April 20, 2010. The food bank financial report was given and as usual, the report was in order and all monies accounted for. The lease for the food bank was renewed for another year.

Discussion was held concerning the operation of the clothing bank. Letters were sent out to all churches and no group stepped forward to operate the clothing bank. However, the committee was informed that the Ben Brady Foundation was willing to lease a building for this purpose for

6 months. The Executive Committee agreed to pay the utilities and insurance for the 6 month period and those expenses be paid out of the general fund. It was also recommended that the clothing bank operation be carried to Association as a whole for consideration.

Brother Gary made a move to move two of our CD's into the general fund due to the balance of the general fund, motion carried. The transfer was almost $ 15000.00

The Executive Committee also approved for all items on our website that are from churches or groups from within the association must be approved by the clerk before being placed on website. And, items from outside the association must be approved by three of the following, the Moderator, Assistant Moderator, Executive Committee Chairman, or Clerk.

A committee was also established with brothers Dennis Bottoms, Michael Moore and John Roden to look into reassigning some of the churches into different districts due to the location of the churches.

Brother Scott Grogan informed the Executive Committee of the financial seminars that would be held within our association. The Executive Committee granted permission for flyers to be produced and sent to all churches within the Association.

The third meeting was held on August 17, 2010. The chairman informed the committee that he had spoken with Brother Tim Biddy and the dates for the Association Revival were set for October 17th thru the 19th, with services to be held at 7:30 each evening. Sunday evening will be youth night. The committee approved letters to be sent to all pastors and for flyers to be at the annual meeting for distribution. The chairman and clerk were given approval to place ads in local papers as well.

The redistricting committee report was presented by Brother Dennis Bottoms and Brother John Roden was given permission to represent the executive committee in visiting the three churches during their conference service and see if they would like to move. If the churches wished to move, it would be presented to the Association for a vote.

Brother Doug Carnes asked the clerk to draft a letter to all pastors, ordained ministers and licensed ministers reminding them of the time and date of the food bank. The minister attendance has been down.

The committee approved that a job description be made for the office assistant and reviewed by Brothers Scott Grogan, Joey Wallace and the chairman.

The chairman also made a move that the price of the Association minutes be increased to $ 4.50 per copy, due to the cost of printing has increased and the motion was approved.

There was a move and second that Brother Dennis Bottoms prepare and present an amendment to our by-laws concerning the creation of a new standing committee, concerning the operation of the food bank. The motion carried.

The chairman made a move that the Hightower Baptist Association not be associated with any social network site on the internet due to the inability to govern what may be written and placed. The committee agreed and stated that our website is sufficient for the placement of any notices or activities to be held concerning the association as a whole.

The chairman also recommended that the Executive Committee recommend to the 2010 Association meeting that starting with the 2011 meeting that all monies collected at the annual meetings be divided equally, with one half going to the Georgia Baptist Children's Home and the other half to the Georgia Baptist Retirement Home. The chairman stated that there are no Georgia Baptist Hospitals in our area and numerous requests for a representative from the Georgia Baptist Health Care to present a report or contact us have not been returned. The committee agreed with this recommendation.

The food bank financial report was also presented and found to be in order.

A very lengthy, Christ centered discussion was held concerning the operation of the clothing bank. It was noted, that no formal vote has been taken or authorization given by the association as a whole to run a clothing bank. If the association wishes to carry the clothing bank and the distribution of hygiene products the cost could very well be up to $ 4000.00 to $ 5,000.00 per month, not including the food bank monies.

The chairman of the Executive Committee called off the discussion and requested all the members to be very much in prayer for the Lord's guidance in this matter. Another meeting was set for August 31, 2010.

The Executive Committee met on August 31, 2010 in reference to the clothing bank operation. It was approved by the Executive Committee that this matter be carried to the association as a whole for consideration and a motion with our recommendation made to the association. It was established by past financial statements, that the operation of a food bank, clothing bank and the distribution of hygiene products could run up to $ 12,000 to $ 15,000 per month at the current rate. At the present time, the donations are running on a 75% to 25% ratio. 75% of donations are coming from corporations and grants and 25% from private individuals and churches.

The vision of the Executive Committee along with many others in our association is for the Lord to bless us with one building to house all of these great and needed ministries. However, at this present time, this is just beyond our grasp. The recommendation made by this committee is that the clothing bank aspect be operated on a limited voucher program working in conjunction with

The Place in Forsyth County. Brother Doug Carnes has worked and met with representatives of The Place and they would sell us clothing at $ 1.00 per item. The Association would need to provide volunteers to go through with the families. It was also noted that the hygiene products could be distributed at the food bank location.

The following motions are made by the Hightower Baptist Executive Committee with the utmost of prayer and reverence.

1. The Executive Committee also moves that Riverside Baptist Church be moved to the 1st District, Mill Creek Baptist Church be moved to the 4th District and that Bethel Baptist Church (Forsyth County) be moved to the 2nd district per their requests.

2. The Hightower Baptist Association shall not be a member of any social network on the internet, due to the inability to control posts and comments that may not be edifying to our Lord, his church and the good of the Association.

3. Starting with the 2011 Hightower Baptist Association, all monies collected during the meetings shall be divided in half, with one-half going to the Georgia Baptist Children's Home and the other half to going to the Georgia Baptist Retirement Homes, therefore removing donations to the Georgia Baptist Healthcare causes.

4. The Executive Committee also moves that all monies already established in the food bank fund be combined together with future donations for the operation of the food bank and clothing bank, which includes the distribution of hygiene products. The clothing bank shall be continued by a limited voucher program working in conjunction with The Place in Forsyth County. The distribution of hygiene products shall also continue and the distributions shall take place at the current food bank location. The newly founded Hightower Baptist Association Food Bank Committee shall have the authority to operate all of the above on a budget set by the Executive Committee.

2010 Youth Committee Report

Young people play an important role in the church as a whole and also in the individual churches that make up the Association. Many people say that they are the church of tomorrow; however, we need to realize they are a huge part of the church of today. It is important for the young people to be in church so they can grow and prosper as Christians and also receive the spiritual foundation necessary to live the life of a Christian. Young people are faced with a multitude of negative ideas and influences; therefore, it is imperative for the church to be a place where young people can receive Christian values and teachings. Our young people need to feast on the spiritual food of the Gospel of Jesus Christ. The best program a church can offer its young people is the preaching of the Gospel, as it will never fail in a world built on shaky and unstable ground. The Gospel is considered to be "old fashioned" but we need to instill in our youth, and realize ourselves that the Gospel still is and always will be "the power of God unto salvation."

The young people in the church can reach people that others simply can not. Many of the students in schools do not attend or have families that do not attend church, and the young people of our churches are a great way to reach those who do not attend church. Paul tells Timothy in First Timothy 4:12 "Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity." These words are encouraging because the young people can be an example of the believers in the schools and around everyone they come in contact with. We need to encourage them and teach them that in everything they do to be an example.

In the last two years the youth committee created an Association wide youth group with the intent of instilling such values and teachings. We are happy to report that AMPED 3:15 continued upon its endeavor of reaching young people within the Association. AMPED continued its work of networking with all the churches within the Association in attempts of building a strong base of support and hosting various events throughout the year for our youth. Events included:

Resurrection Celebration: Easter celebration held at Silver City Baptist Church included communion and the viewing of the Passion of the Christ.

Foundations Bible Study: Weekend Bible Study on the Articles of the Faith held at Coal Mountain Baptist Church and included teachers like. Rev. Dennis Bottoms, Rev. Joey Gilbert, Rev. Doug Carnes, Rev. Craig Richard, Rev. Brody Hughes, Rev. John Lummus, Phill Bettis and Rev. Garry English. There was a wonderful response by all and the teaching was incredible.

Day of Service: Youth Groups came together at Longstreet Baptist Church to do much needed service projects in the community and Atlanta.

Back to School Speakout: Event held at Harmony Baptist Church for youth returning to school. Speakers included James Earl Hubbard and Rev. Jerry McCormick. Youth were encouraged to share their faith and live a sanctified life.

We recommend Churches and Youth groups contacting their youth committee and advising them in any way that could offer them assistance.

Chairman: Taylor Cole Brody Hughes

2010 Vacation Bible School Report

On behalf of the 2010 VBS team, we would like to submit this report. We thank God for his many blessings and for Vacation Bible School. In the Bible during the time of David and Goliath we find in 1st Samuel 17 where David had left his flock to go to the camp of the army of God. Upon arriving at the camp, his brother Eliab was angered because David left his sheep unattended. Eliab questioned David saying "Why camest thou down hither? And with whom hast thou left those few sheep in the wilderness?" While Eliab's anger could be understood, David's answer was simply this, "What have I now done? Is there not a cause?" We the VBS team submits to you that there is still a cause. The cause is Christ and in our case the mission is Vacation Bible School. With this cause in mind we provided clinics for our Hightower churches.

Our theme this year was Hero Headquarters, Where Kids Join Forces with God. The theme was centered on 1st Timothy 4:12. The theme provided these five teaching topics: "Heroes do the unexpected", "Heroes take action", "Heroes step out on faith", "Heroes save the day", and "Heroes stand for the truth". The lessons illustrated how God used ordinary people in the Bible for extraordinary works and miracles. We learned that everyone can be a worker for the Lord and God can make anyone a spiritual Hero to others.

We thank New Harmony Baptist Church for being our gracious host church. We think the ladies of New Harmony Baptist Church for the meals provided at the clinic. We thank Reverend Johnny Purcell and the deacon board of New Harmony Baptist for their support. We also thank the Hightower Association Office for their assistance with our mailings and invitations.

The 2010 VBS team encourages the continuation of the VBS Clinic format. We received positive feedback from the representatives of the churches in attendance. We believe the clinics are a great source for ideas, enthusiasm, and guidance. We hope your directors use our clinics to help plan a fantastic Bible school for your church and community. We encourage each church in the association to participate in the clinics. We ask that you continue to pray for and support Vacation Bible School.

Summer is gone, but we have heard good reports of successful Bible schools from across our Association. Before long, our team will begin to plan for the 2011 clinic. We will do this with a thought on our hearts found in the book of John, "And I, if I be lifted up from the earth, will draw all men unto me." We are excited about what God has in store for the Vacation Bible School Program of the Hightower Association.

Respectfully Submitted,

Michael Bottoms – VBS Director
Bobby Whitmire – VBS Assistant Director

Hightower Baptist Association

Finance Committee Report

On Tuesday September 14, 2010 the Finance Committee met with Brother Scott Grogan, Association Treasurer, for the purpose of reviewing the financial records of the Hightower Baptist Association.

And on Monday September 27, 2010 the Finance Committee met with Rev. Sammy Wright, Association Benevolence & Disaster Relief Committee Chairman, and Brother Scott Grogan, Association Treasurer for the purpose of reviewing the financial records of the Hightower Baptist Association Benevolence & Disaster Relief, (food bank), financial records.

Findings & Recommendations

1. We, the Finance Committee, find the financial records to be accurate and up to date. (Please see the Treasurers Report for a detail record by account.)
2. We, the Finance Committee, would like to propose a change to the fiscal accounting year for the association, and for the fiscal accounting year to be July 1 through June 30, with the annual review and audit to be performed after the close of the fiscal year book on June 30. The reason for this recommendation is to allow time for a full fiscal year audit and review prior to the annual association meetings, currently the finance committee cannot complete a full fiscal year audit as the audit must be done prior to the current fiscal year end which is the annual association meeting. We request that this change be approved in this session of the Hightower Baptist Association, with the financial fiscal year ending on June 30 each year, effective June 30, 2011. This change would only apply to the financial fiscal year and not the associational year.
3. We, the Finance Committee, recommend that written standard operation procedures be prepared for the Treasurer and others who may handle financial responsibilities to for the Association.
   Examples of items to cover in the SOP's are proper documentation requirements, approval procedures, signature requirements, record retention, etc.
4. We, the Finance Committee, recommend the association approve the purchase of fire safe brief cases for the treasurer, clerk, benevolence & disaster relief committee chairman for the safe keeping of records and or funds as they transport and keep them.

5. We, the Finance Committee, would like to thank each Church that supports the Association office and expenses, and encourage all Churches to support the Association Office expenses, if possible.
6. Last year the finance committee issued request for the Association to address the following.
   (a) To computerize the financial records of the association, this has been completed and Bro. Scott did an excellent job with this task, the records were neat, accurate and easy to follow and audit.
   (b) To set up meetings with The Georgia Baptist Association Tax Department to come out and give presentations about new and changed tax laws for Churches, Bro. Scott worked with the Georgia Baptist Association Tax Office to set these meetings up.
   The first presentation was held on August 24, 2010 at New Harmony Baptist Church; over 30 Churches participated in the first session, with several Churches having two or more attendees.
   The second session is scheduled for November 4, 2010.
   The third session is scheduled for January 7, 2011.
   These presentations are very helpful and there is no cost to the Churches for this valuable training, and we encourage all Churches to participate in the next two sessions, these will be held at New Harmony Baptist Church Fellowship Hall.

We appreciate the work of the association treasurer to dutifully administer the Hightower Baptist Association finances accurately and professionally, and to the Benevolence & Disaster Relief Committee Chairman for doing the same.

Respectfully submitted,

Benny Grogan, Chairman

2010 DECEASED MEMBER REPORT

We, the Deceased Members Committee wish to make the following report. The churches in the Hightower Baptist Association have reported the loss of many brothers and sisters. They will be missed by this association, their churches and their families and friends. 2 Timothy 4:7-8 reads "I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing." Let us not forget those who have laid the paths for us.

There were 205 deceased members reported by the 57 Hightower Baptist Association Churches: 1 Ordained Ministers, 7 Ordained Deacons, and 2 Licensed Ministers

Respectfully submitted,

Johnny Padgett
Michael Westbrooks
Floyd Duncan

IN LOVING MEMORY
of
Rev. Hughlon Cochran
April 28, 1945 - June, 27 2010
Ordained Minister, Oak Grove

Rev. Hughlon Cochran, age 65 had been a member of Oak Grove Baptist Church since July 7, 1956. Brother Hughlon was a Sunday School teacher and told his call to the ministry in the summer of 1980. Brother Hughlon was ordained in to the full ministry of the Gospel on September 20, 1987. He was the Pastor at Mt. Tabor Baptist Church from 1987 to 1989 before returning to Oak Grove as a faithful home preacher. He is pictured preaching at a Church in Jamaica while on a mission trip to spread the Gospel as well as to build a Church. Hughlon was loved by all who knew him and will be greatly missed.

Notes:

Dear Members and Body of Hightower Baptist Association,

I wish to tell you all that I count it all joy to have served as your Association clerk. Ever since I was asked to assist Brother E.W. McConnell and Brother Charles Day at Longstreet Church in 1997, I have been blessed to be included as part of Hightower's fellowship. I have served in different capacities for over twelve years and the reverence I have for the Association officers and the felt presence of God at every gathering has grown sweeter each year. Many times my wife, Vickie, and I have left an Association meeting still bubbling from the Spirit as we spoke of the day's events and the inspiration we received from the sermons. God has allowed me many memories from the Associational messages I have heard and I can read the old minutes and that feeling of the Holy Ghost is rekindled in my heart. Every year God seems to send a series of sermons and spirit filled committee reports that seem to blend together and link as God's work always does.

Through the trials and the labor of love the Association extended after Katrina to the people in Mississippi, the Benevolence and Disaster team established a ministry that has reached one of the highest levels of accomplishment in the Association's history. Rivaling even the missionaries that were members of the association sent to China and worked with Lottie Moon in the late 1800's and the formation of the Hightower Baptist College in 1893's. The B&D committee and all the volunteers have united our churches in service to a spectacular level. God gave vision and desire to the men that served Mississippi during Katrina to grow into an organization that is feeding, clothing, sheltering those in need in our area and all the while sharing the good word that Jesus saves. Souls have been saved and that is witness of God's approval. We are an Association that is alive and living for Christ.

I wish to tell every Moderator, Vice Moderator, Assistant Clerk, Treasurer, Executive Committee Chairman, Committee Members and Church Messengers, that it has been a blessing from God and an honor for me to work with you. I have come to know so many people who are now my dearest friends. 133rd Psalms "Behold how good and how pleasant it is for brethren to dwell together in unity!" I miss those that I have labored with during these years that have gone on to be with the Lord and I look forward to seeing them again in Heaven.

I thank you all for the support and encouragement you have given me. I cannot recall a harsh word ever being spoken to me. Please support your new clerk, Brother Joey Wallace, as you have supported and encouraged me. He will be a blessing to the association. That 133rd Psalms goes on to say "It is like the precious ointment upon the head, that ran down the beard, even Aaron's beard: that went down to the skirts of his garment". It has been pleasant to dwell in unity with my brethren. If I can help anyone in any way please feel free to call me. 770-889-1945.

Joey Jennings
