This Constitution and Bylaws shall govern the Hightower Baptist Association until amended.

CONSTITUTION AND BYLAWS OF THE HIGHTOWER BAPTIST ASSOCIATION

We the Baptist Church of Jesus Christ, having all been baptized upon a profession of faith in Christ and desirous of a spiritual union, we therefore propose to maintain order and rules of an Association according to the following plan:

NAME AND FORMATION OF THE ASSOCIATION

Article 1.

- 1.1** This Association shall be known by the name of THE HIGHTOWER BAPTIST ASSOCIATION and shall be composed of Messengers chosen by the different Churches in our Union who, upon producing letters from their Churches certifying their appointments, shall be entitled to a seat.
- 1.2** Messengers from member churches shall become delegates when seated. All ordained ministers having Church membership within the Association, or serving a Church within the Association, Officers of the Association Chairmen of the Standing Committees, members of the Standing Committees, and Assistant Parliamentarians are to be seated as delegates.
- 1.3** Each Messenger shall register at the convention of the annual meeting of the Association. Upon registration, the Messengers will automatically be seated as delegates. At a time deemed appropriate by the Moderator, the Clerk and Moderator shall inquire as to any Messengers whose names are not registered and such unregistered Messenger shall, upon addition to the register, be seated. The Clerk of the Association may delegate a registration committee to compile the list of Messengers to be seated. Upon proper registration, it shall not be necessary to conduct a role call of the Messengers to be seated. To assist with registration, each Church shall forward to the Clerk of the Association a list of all Messengers chosen by the Church. This list will be forwarded not less than ten days prior to the annual meeting of the Association. Notwithstanding any of the foregoing, the Clerk or delegated registration committee may devise a method of pre-registration to avoid registration requirements at the meetings of the Association. All member Churches shall endeavor to choose Messengers who are able to attend Association meetings. The Clerk of the Association or the delegated registration committee shall furnish to the Nominating Committee all registered delegates as soon as possible after the convention of the Association, however, not later than the end of day of the annual meeting of the Association.
- 1.4** Each Church in the Union may have two delegates and one additional delegate for every fifty members in excess of seventy-five members. In no case shall the combined representation of a Church exceed five delegates. In addition to the delegates sent by the various churches, any individual seated as a delegate pursuant to Section 1.2 shall have a vote in any Association business.

ELECTION OF MODERATOR, ASSISTANT MODERATOR, TREASURER AND CLERK

Article 2.

- 2.1** The Association thus formed shall choose by ballot a Moderator, Assistant Moderator, Clerk and Assistant Clerk, and Treasurer, who shall serve for one year. The Moderator shall be ineligible for one year after having served in the office for two years. It shall be permissible for the office of Clerk and Treasurer to be filled by the same person.

INDEPENDENCE OF ASSOCIATION AND MEMBER CHURCHES, ADJUDICARY AND ADVISORY ROLES

Article 3.

- 3.1** The Association shall have no coercive form to lord over it and shall abide in God's heritage and word in conducting all functions of the body. The Association shall be considered an advisory council in all matters respecting the internal concerns of the Church.
- 3.2** When an offense may be committed by one Church against another or when a serious difficulty may arise in an individual Church, it shall be the duty of the Association to take the matter or controversy into consideration and decide upon it. However, intervention by the Association shall come only after gospel steps

have been taken between the offending and offended Church or within the individual Church, as the case may be. The Association shall have the authority to issue rulings. Churches, which are the subject of such rulings, shall receive such rulings as advisory in nature. Nothing contained herein shall affect or impair the independence of each member Church. However, the Association may remove any Church from fellowship with the Association if the offenses involving the member Church are contrary to the Abstract of Principles of the Association or if such offenses jeopardize the spiritual integrity of the Association or the member Churches, or for other proper reasons which harm the fellowship and existence of the Association. The procedures for excluding a Church from fellowship set forth in Article 4, hereinafter addressed, shall be followed.

- 3.3 The Association may issue advisory rulings on points of doctrine or questions posed by any member Church. The Association is empowered to issue position statements or policies concerning matters affecting the well being of the member Churches or the individual members. The Clerk of the Association shall maintain a separate register of all rulings, position statements and policies passed or issued by the Association.

QUALIFICATION, ADMISSION AND EXCLUSION OF MEMBER CHURCHES

Article 4.

- 4.1 The Association shall be solely responsible for determining membership within the Association. Any Church seeking admission shall satisfy the Association as to the petitioning Church's qualification, including compliance with the Abstract of Principles of the Association. The Moderator may delegate a committee to determine the qualifications of the petitioning Church. This committee shall be known as The Committee to Examine New Churches on Articles of Faith.
- 4.2 Upon majority approval by the Association, the petitioning Church's admission into the Association shall be manifested by the Moderator extending the right hand of fellowship.
- 4.3 The Association, upon two-thirds vote by the delegates, shall have the power to exclude any Church from the Association upon grounds that the Church has departed from the orthodox principles of the gospel, or for any other proper reason that jeopardizes the union of the Association. Any church subject to exclusion shall have adequate and fair opportunity to defend any charges. The Association may delegate a tribunal for hearing, if deemed necessary to afford fairness. The tribunal shall report its findings at the next meeting of the Association. Unless otherwise delegated by the Association, the Executive Committee shall act as the standing tribunal.
- 4.4 Admission or exclusion of any church shall be entered into the minutes and recorded by the Clerk of the Association. The Clerk of the Association shall notify any Church in writing as to admission or exclusion and shall publish same within the minutes of the Association.
- 4.5 Any member Church desiring to withdraw from membership of the Association shall request withdrawal in writing. Upon majority approval of the Association obtained during the annual meeting, the petitioning Church shall be entitled to a letter of dismissal and membership will be canceled. The Clerk of the Association shall enter such withdrawal into the minutes of the Association and remove the withdrawing Church from the list of member Churches.

QUERIES

Article 5.

- 5.1 Queries are extraordinary inquiries of doctrinal matters in order to resolve doubt or questions. While encouraged for matters of doctrinal question or dispute, queries should be used sparingly and cautiously.
- 5.2 Queries shall be presented at Union Meetings prior to presentation to the Association. The Standing Committee on Queries shall convene not later than noon on the day of the annual meeting of the Association to review any queries presented and make recommendations to the body of the Association. The Standing Committee on Queries shall have the authority to determine and recommend that the subject matter not be considered as a query if the subject matter is not appropriate for a query as previously defined in this Article. The Standing Committee on Queries may recommend that the matter be considered as a motion or resolution before the Association; and, unless renewed in the form of a motion or resolution by any delegate of the Church presenting the query, the matter may not be considered. Queries, if deemed appropriate by the Standing Committee on Queries, shall be read during the afternoon of the Association's annual meeting and acted upon in general business of the annual meeting.

Voting in all cases shall be confined to the body, but corresponding messengers and visiting brethren may aid in council.
- 6.6** The Hightower Baptist Association is a self-governing body. Meetings shall be conducted such as to afford orderly presentation of motions and business of the body, at all times evidencing a Christian atmosphere of respect and fairness. No member shall indulge in any practice that may have a tendency to interrupt in time of public speech or would dishonor the Association.

- 6.12** After debate, the Moderator shall restate any motion pending before the body of the assembly and call for a vote. Secret ballots require majority approval of the body of the assembly.
- 6.13** No member of the Association shall depart the service of the Association without leave of the Moderator. Anyone absenting himself shall be reported in the minutes as absent without leave. Absences for health or emergency matters are granted without necessity of approval.

- 6.14 The appellation of "brother," "sister", "brethren" or "sisters" shall be used in addressing each other.
- 6.15 Committee reports shall be typed and read before the body. Written committee reports shall be submitted to the Clerk not later than the opening of the Association meeting. Any committee needing assistance with typing may consult with the Parliamentarian or the Clerk. Written committee reports shall be deemed as accepted by the body without further motion, unless objected to by a majority of the body. Committee chairmen, or their delegates, shall read the written report before the body at the time so allotted. One member of the committee may speak before the body concerning the report, unless leave is obtained for other committee members to speak. Leave may be granted in the sole discretion of the Moderator, but shall be freely granted. It is not required that other committee members speak before the body. Committee reports may be discussed after presentation, but are received as read without motion or second.
- 6.16 Alternate speakers, including those delivering sermons, are just that and shall not be required to speak before the body unless the alternate feels led to do so, or if the primary speaker is not available, or with leave of the Moderator or the body.
- 6.17 The time limit for Committee chairman reports is 15 minutes. All other speakers, including visitors are limited to 10 minutes each. The above listed time limits include the time for reading reports. The Association has traditionally allowed visiting Messengers to speak before the body. Upon consent of the Moderator, such visitors shall be allowed to speak before the body without a motion for a period not to exceed 10 minutes.
- 6.18 Collections from the assembly for the organizations supported by the Association, or for other matters selected by the Association, shall be restricted to one occasion while the Association is in session. Special Adoption Committee

It is my honor to stand on behalf of the special committee of the Hightower Baptist Association Scholarship for first time adoptive families program. At the 188th session the association voted to give the executive committee the Responsibility of researching and creating the adoption scholarship. In turn the executive committee then appointed a special committee to carry out this process. First off, we want to state that the whole purpose of this scholarship is to bring awareness and encourage the families of the Hightower association to consider adoption or have the opportunity to support those that are called to adopt. We seek a pure Religion just like James wrote in:

James 1:27 Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.

In response to honoring the Hightower's desire to support and encouraging adoption we have decided on the following. The scholarship amount will be a full reimbursement of \$4500 to all first-time adoptive families who hold membership in our churches. Other qualifications are laid out in our application. Which I will go over in just a moment, and Printed versions are available for everyone to review and take with them during the lunch.

In conclusion we just want to thank everyone for their support and go ahead and thank you for the continued support of this scholarship program which we all hope and pray will be a Blessing of God's manifold grace to this body of believers and to the families who make it up. Let us now all be led by the spirit as Romans 8:14–16

14. For as many as are led by the Spirit of God, they are the sons of God.

15 For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father.

16 The Spirit itself beareth witness with our spirit, that we are the children of God:

There are children in our community today without a family. Let the Hightower Baptist Association shine the light of the Glorious Gospel of Jesus Christ both in word and deed by supporting the very thing that has made us all sons and daughters of God, Adoption.

Respectfully submitted in Christ by The special committee of the Hightower adoption scholarship program.

Daylan Greene, Greg Moore, Andrew Grindle, Matthew Bottoms and Jonathan Kirby

Representative on the Georgia Baptist Convention

As the Hightower Baptist Association representative on the Georgia Baptist Mission Board Executive Committee, I offer the following report to the Association:

* On the first day of the 2024 Georgia Baptist Convention, the Executive Committee met that morning at 10:00am. The meeting took place on November 11, 2024 at First Baptist, Statesboro, Georgia.

Larry Wynn of the Georgia Baptist Healthcare Foundation reported the following concerning the ministry carried out by the foundation:

- 628 have been saved through the ministry in 2024.
- 24,199 pregnancies have been carried to term, 688 in 2024 alone!
- \$500,000 matching grant for hurricane relief.
- \$50,000 in scholarship funds.

- All made possible by generous grants and donations.

* There were 38 new churches approved by the Executive Committee to be admitted as member churches in the Georgia Baptist Convention. There were Brazilian, Hispanic, Korean, Haitian, Myanmar, Afghani, Vietnamese, French African, and West African congregations included in these.

The Lord has truly brought the world to our doorsteps in Georgia!

* Disaster Relief: Hurricane Helene

- Georgia Baptist moved quickly and were some of the first on scene.
- \$2,000,000 dollars spent
- 400,000 meals served
- 2,200 jobs completed free of charge
- 126 salvations reported
- 300 ministry leaders helped
- 250 churches helped

* We heard a message at the Convention meeting by Rick Coram. It was titled “Answer the Call, The Room Where Revival Starts”. It was taken from Acts 2:1-8.

Rick stated, “The Holy Spirit shook the room, shook the people, and the people shook the world!”

The President of the Southern Baptist Convention, Clint Pressley, preached a message from Ezekiel 37. He said, “The question of some churches is this: Can this church live? God takes what seems impossible and makes it a reality. Just focus on God and His power. When it comes to church growth, be careful not to focus so much on what we can do! It’s all about what God can do! The results belong to God. Be careful having great doctrine, but no life.”

* In addition to the GBC meeting in 2024, I also attended the Georgia Baptist Mission Board Executive Committee meetings on March 11, 2025 at Burnt Hickory Baptist Church, and September 8, 2025 at Ingleside Baptist Church in Macon.

At the September meeting, Dr. Don Dowless, President of Shorter University, reported that they are “In the business of teaching people about Jesus and giving the very best Christ centered education possible. He spoke of students at Shorter sharing Jesus in every opportunity through the Baptist Collegiate Ministry (BCM), mission trips, discipleship groups, and Wednesday chapel services. Dr. Dowless says their students are hungry for the Gospel.

Five members of the football team have accepted Christ! He said the teachers at Shorter believe what they are teaching. He asked us, “What is a soul worth?” And gave us the answer, “Everything!”

* Baptist Retirement Communities of Georgia (Now called “Ingnite Living”) report the following:

- Lots of activities for their residents!
- Great Christ honoring Worship!
- They have been serving for almost 60 years.
- Campuses in Hiawassee and Palmetto, Georgia.

* Penfield Addiction Ministries:

- Average 3 to 5 baptisms per month.
- 26 confessions of faith in Jesus, and many more rededicating their lives to Jesus Christ.
- Residents go from discouragement and brokenness to being able to smile again.
- Many come from situations where they have been scarred for life.

* Georgia Baptist Convention President, Steve Browning reported that this years annual meeting will be focused on “EveryOne EveryWhere!” The meeting will begin on Monday with an Evangelism Conference.

Dates: November 9-11, 2025

Location: First Baptist Church, Atlanta

* Executive Director, Thomas Hammond shared updates regarding the Baptist Collegiate Ministry (BCM) construction projects at Georgia Southern, University of Georgia, and Georgia Tech. They will feature new functional space for BCM as well as student

housing in partnership with CCI. Through this partnership with CCI, an approximately \$5.8 million corpus will produce investment income for BCM summer missions scholarships, campus outreach events, and facility needs.

Be in prayer for more of these partnerships to help improve the BCM on more campuses. It was reported that UNG and Kennesaw have reached out with interest.

* The Sugarloaf property has sold, money is in the bank, and the proceeds will go to help push back the vast lostness in the State of Georgia.

* Beth Ann Williams gave a report for Mission Georgia:

- 59,000 children in Georgia experience homelessness.
- She spoke of seven days of prayer for Mission Georgia
- Gifts and the Gospel for first responders program.
- Mobile Health Ministry
- Read Georgia Program
- Addiction Ministry
- A new construction ministry
- Foster Care ministry
- The goal of the September Mission Georgia offering for 2025 is \$1.5 million.

* My term as the Hightower Baptist Association representative on the Georgia Baptist Mission Board Executive Committee will run through the 2026 annual Georgia Baptist Convention meeting. Please be in prayer for someone to step up and be willing to take on this position. The terms are five years. Meetings take place in December, March, September, and at the Annual Georgia Baptist Convention. To be considered a cooperating church in the GBC it only takes a contribution of \$500 dollars to the Cooperative Program. It is my understanding that our HBA representative must be a member or pastor of a cooperating church. You can go to the Georgia Baptist Convention web site or just go online and look up the Cooperative Program. You will learn what the program is all about and how the funds are distributed between the GBC and the SBC. We really can accomplish much more together than we can alone!

May God richly bless each and every one of you! And may God continue to bless our Hightower Baptist Association!

Executive Committee Report

The Hightower Baptist Association Executive Committee met four times beginning November 7th of 2024 then again in each of the first 3 quarters of 2025.

Each meeting was called to order and began with a word of prayer.

The executive committee's fiscal year was full of opportunities. Many of these opportunities will be reflected in detail in the individual committee reports; however, I would like to share a few of the highlights that may not be specifically covered.

Discussion was held about obtaining a server to back up HBA data. After comparing the advantages of a physical server vs a cloud server, it was determined a cloud server would best fit the needs of the association.

The Vacation Bible School Committee's budget was also discussed in detail. As a result, the budget for the VBS committee was raised to \$3,500.

Conversation was held regarding the title of the HBA Christmas Fund. The decision was made to rename to the HBA Christmas Fund to the HBA Children's Fund for complete transparency.

Forsyth County approached the Association in attempt to acquire right of way for the Post Road widening project. The county expressed need to acquire a small portion of the New Light Property located at the intersection of Post Rd and Wills Rd (fronting along Post Rd). These negotiations are still on going and pending final approval from Forsyth County.

Disaster and benevolence had a busy year from the very start, which will be reflected in their report. Efforts were demonstrated in the out-pouring of support both physically and financially. Much of the efforts was directed to aid in North Carolina post hurricane. Out of the collective relief efforts we identified a specific need. In situations of disaster relief, the ability to provide folks with a hot meal is huge. After much discussion and looking into options, the idea of purchasing a Food Trailer was recommended. The trailer is a tandem axel 8'x14". It will be fully self-contained as full functioning kitchen with a griddle, sink, refrigerator, generator and more. We hoped the trailer would have been ready for the association meeting but unfortunately the company building the trailer was not able to complete the project in time. It should be ready within the next two weeks. The original plan to cover the cost of the trailer was to use the funds from the Right of Way sale. Two days after this was decided we received notification that the Benjiman F Brady Charitable Foundations covered the full cost of the trailer. To God be the Glory!!

Thank you to the Hightower Baptist Association for the privilege to serve this past year.

Again, I would also like to thank each member of the executive committee for their prayerful service this past year and I look forward to the opportunity to serve in the upcoming fiscal year.

In the words of Paul:

2 Corinthians 13:14 The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all. Amen.

Evangelism & Church Growth

We have all read what Christ had to say about evangelism in Matthew 28:16-20. This great commission was given to the disciples so that the whole world might know and experience the truth of the gospel. Evangelism is the only means by which lost sinners can be saved. Paul says as much in Romans 10:14-15. This means that we as Christians have a job before us of everlasting significance. All of this being said, evangelism isn't something most people enjoy. It can be intimidating in today's hostile culture to bring up the gospel to a stranger in a public setting. That discomfort often grows when the person is someone we know and love. We as the evangelism and church growth committee have recognized these challenges, and have put together a solution that may help start conversations with unbelievers. We have made a tract template that will be completely customizable, so that we are able to send a reminder of the gospel home with whomever we are talking with. These tracts have the name and service times of your church along with a verse of scripture on one side, and a place to advertise upcoming church events on the other. These tracts could be handed out to individuals, or placed in visible locations around your community. We decided to put these together so that starting a conversation is as easy as handing out a piece of paper, and when you part ways they have a reminder of where they can go to learn more about Jesus Christ. The tract template will hopefully be posted to the Hightower site, or you can get in touch with a committee member who would be happy to send it over to you. Evangelism is not an easy thing to do, and we can expect to be shut down many times in the process. But, it is our responsibility to share the great gift that has been given to us. Please let these tracts be a reminder not only to those they are given to, but also to us that we have been called to preach and have a savior worth telling people about.

Respectfully submitted,

The Evangelism and Church Growth Committee

Moral Issues

Greetings and salutations brothers and sisters in Christ,

While it would be my desire and easier to say that there are no pressing moral issues currently facing the church, that would be ignorant and denying the sad reality of our day and time. While we all know that every committee of the Hightower Baptist Association serves a purpose and need, I believe sometimes as individuals and as churches ignore the issues in our world that are increasing in frequency globally, in our nation, and even in our local communities. There are moral issues on the frontline of our spiritual warfare whether we recognize them or not.

First, we must be clear and explicit that when the world says “speak your truth”, they imply truth being subjective by experiences and relative to personal codes and what is agreed upon in society. If truth were truly subjective only and we all had the authority to decide what is wrong and right, most people wouldn't consider their actions as sins. "If we say that we have no sin, we deceive ourselves, and the truth is not in us" (1 John 1:8). While people can grow up in different backgrounds and have different experiences that are both true in the fact that they happened does not justify or change actual objective truths in morality of what is good and what is evil. "But his will was that his children should walk in truth" (3 John 1:4). Our Creator is the only one who can objectively instruct us on the law, what is good vs. evil, and judge us based on the fact that He created us and He created the law. While Christ did show love, compassion, and forgiveness when encountering those in tragic situations, he also would tell them to “sin no more.” Christ called out sin and did not ignore it. We cannot only preach love and grace without preaching repentance of sins. We do no one any benefit for not being truthful in sharing that repentance of sins is necessary for the Kingdom of Heaven is at hand. In honesty of subjects pertaining to our current culture, regardless of political affiliations, let's be clear on biblical truths, such as killing a baby and calling it an abortion is still murder, such as men dressing up as women and claiming womanhood, such as God intending marriage to be between a man and a woman, and also such as we are all sinners in need of a Savior, no one is above God's law nor exempt from the instructions to the church.

Next, after recognizing truth and knowing God's Word, we as followers of the Lord Jesus Christ should not be ashamed to spread the gospel and share our testimony inside or outside the church building. "For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes: first to the Jew, then to the Greek" (Romans 1:16); "Therefore do not be ashamed of the testimony of our Lord, nor of me his prisoner, but share in suffering for the gospel by the power of God" (2 Timothy 1:8). Jesus didn't do all his preaching and teaching in the temple, nor should all of our great commission work be inside brick and mortar or white-painted wood buildings. Our job is to compel them to come (Luke 14:23). If you're living one way on Fridays and Saturdays and different ways on Sunday mornings, has Jesus genuinely made a change in your soul? What ramifications will occur as a result of your diminished testimony in the world? One of the saddest observations in recent years is people walking away from the church over church hurt and church drama. While the outside world needs to be reminded that our churches are not intended to be museums of saints but rather hospitals for sinners, those inside the church need reminder that when offenses occur, the gospel steps (Matthew 18:15-17) were put in place for a reason; that reason being reconciliation. The only time we're supposed to walk away is either when the gospel steps have been taken and satisfaction not reached or when sharing the gospel with someone who rejects it, then we shake the dust from our feet (Matthew 10:14). Reconciliation should always be the goal. Jesus told us to forgive those who trespass against us as our Heavenly Father forgives us of our trespasses, “For if ye forgive men their trespasses, your heavenly Father will also forgive you:” (Matthew 6:14). So while there are some out there arguing over which songs to sing, or how big a church building should be, or the types of pews, or how loud the piano is... please pause and remember our mission. Compel them to come. Worship the Lord our God in Spirit and in Truth. Jesus died for your sins just as much as the sins of those you argue with. The Devil would have us believe our moral dilemma is worrying about drama between brothers and sisters in Christ. The actual moral issue is focusing on any of these other things instead of spreading the Gospel.

If recent events have taught us anything, it is life is short, we all need Jesus, and let us not be ashamed of Him nor put anything between Him and us. If we can remember these things, pray for forgiveness and help from the Lord, allow Him to make changes in us and use us, then can we not only get ourselves back on the straight and narrow way but also

lead others in the process. I'll end with a familiar verse to most: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (2nd Chronicles 7:14)

God bless every church and every soul represented,

Sunday School

The Hightower Sunday School Committee sent an email to all churches inviting all Pastors, Sunday School teachers and officers to Hightower Baptist Church on August 20, 2025, at 7:00 pm for a prayer service and discussion for Sunday School. Eight churches were represented by a wonderful number of people in attendance. Scripture was read from Proverbs 6:5-6. Verse 5 says *Trust in the Lord with all thine heart and lean not unto thine own understanding.* Verse 6 says *In all thy ways acknowledge him, and he shall direct thy path.*

Clint Smith spoke about statistics on Sunday School attendance. Tucker Stowers spoke on how Sunday School led to his salvation. We had a wonderful discussion on ways to encourage people to attend Sunday School. There were some great ideas shared for all ages. We are praying for all of our Churches, officers and teachers, that God will direct their path. I feel everyone would be blessed by attending Sunday School, studying God's word, having wonderful Christian friends, and praying for one another. Most of all leading the lost to Christ.

May God Bless all Sunday School officers,
Committee members:
Phil Cochran and Tucker Stowers

Vacation Bible School

On behalf of the 2025 Vacation Bible School (VBS) team, we are pleased to submit this report. First and foremost, we give thanks to our Lord and Savior for His guiding hand. We recognize that nothing is possible without His grace and blessing.

We extend our sincere gratitude to the Hightower Baptist Association for their continued support and prayers, as well as to each church within our association that supports VBS, the clinics, the team, and all those involved.

This year's VBS theme was "Rocket Racers – On Track with Our Powerful God." Our memory verse was Romans 8:37: *"Nay, in all these things we are more than conquerors through Him that loved us."*

We especially thank Brother Sam Castleberry and the members of Longstreet Baptist Church for graciously hosting the VBS clinics. Their generosity in providing their facility, meals, prayers, and ongoing support for the VBS team is deeply appreciated.

The VBS clinics remain a vital opportunity to equip our churches for a successful VBS season by offering valuable information, instruction, and fresh, creative ideas to enhance outreach and engagement for all participants.

In closing, we would like to express our heartfelt appreciation to every member of the VBS team for their dedication and willingness to serve this incredible community. As a reminder, sometimes the simplest acts—a single cookie or a cup of Kool-Aid—can make a profound difference in reaching "Just One More Soul."

Thank you.

Women's Missionary Union

The Georgia WMU Mission is Every Woman. In Community. On Mission.

We are blessed as the Hightower WMU to get to serve in small, but impactful ways, yet also in very large & directed ways through so many mission opportunities. God has indeed brought the mission field to our Hightower area! Look around you when you go to the store. Notice the homes and ball fields on your way to church. How many all around us are dying without Jesus?

We are to live on mission. Mission Georgia (our "State Missions") has several initiatives that are ongoing for the state of Georgia. These include as follows: Childhood Literacy, Foster Care/Adoption, Human Trafficking, Refugees & Internationals and Maternity Care. How is your church bridging the gap in these areas?

We are to pray for missions. Not just sometimes, not just when you are at church or WMU meetings, but we know we are to PRAY without ceasing. Just as we've seen in the last few weeks, God is on the move and when God's people are moving, you better believe, so is the enemy. Pray God protects all of those on mission, at home and across the world.

Jeremiah 29:12-13: "Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. And ye shall seek me, and find me, when ye shall search for me with all your heart."

So, in praying this scripture...May we ever stay on the Mission field for the Lord! It matters. God's Truth matters to a lost world around us. What can I do, you may ask? Here are a few ways that our Hightower WMU ladies have been on Mission in 2024-2025:

- Christmas Backpacks
- The Gideon's
- Operation Christmas Child/Shoebboxes
- Pure Water/Pure Love
- Lottie Moon, Mission Georgia & Annie Armstrong Offerings

Please also pray for not only these missions, but our Fall Missions meeting to be held at Liberty Baptist Church at 6:30pm on October 20. We invite any of you who love missions to come out and join us. We have an IMB missionary from right here in our area who will be speaking to us as well as our new WMU State President. Also, please pray for our backpacks as we prepare them to go to Summerhill Baptist Association in Albany Georgia again this year, as well as local mission needs. These will be distributed to children who are in need for Christmas. Each will contain the Gospel as well as other needs/gifts.

And we praise the Lord for our past events in 2024/2025: our Fall Missions Meeting in 2024 at Brookwood Baptist Church and our Spring Event in April 2025 at the Hightower Food/Clothing Bank. Our HBA WMU Directors continue to meet and plan together with two meetings per year. We are so thankful for our new Director Stacey Gonzales, and we continue to pray for an Assistant Director.

Ultimately, we want to encourage not only our Hightower Baptist Women, but every one of you and your great churches in the Hightower Association to be In Community and On Mission.

Discipleship Training

To the Brothers of the Hightower Baptist Association,

Greetings in the name of our Lord and Savior Jesus Christ,

As we gather for the 190th Session of the Hightower Baptist Association, we are reminded of the sacred charge given to us in the Great Commission:

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.”

We also recognize the challenges that come with modern distractions and competing priorities. The demands of work, school, sports, and digital entertainment often pull families away from spiritual disciplines. In many homes, Sunday mornings compete with travel ball, weekend shifts, and screen time. Yet, the Word of God remains clear and unwavering in its call to seek Him first.

We are reminded of the promise in 2 Chronicles 7:14:

“If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin...”

This heart of discipleship, seeking God’s face, walking in His truth, and sharing His love. Discipleship is not merely a church program or a weekly class; it is a lifelong journey of transformation. It begins with surrender and continues through obedience, fellowship, and service. We have witnessed this healing in our communities as churches have reached out to families, supported one another through trials, and remained steadfast in the Word.

We also acknowledge the importance of discipleship within the home. As Deuteronomy 6:6–7 instructs:

“And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.”

The home is the first and most influential place for spiritual formation. Parents, grandparents, and guardians are called to be the primary disciplers of their children—not just through formal teaching, but through everyday conversations, habits, and modeling Christlike behavior. We celebrate families who have made Scripture reading a daily routine, who pray together before meals and bedtime, and who use teachable moments to point their children to Jesus.

As we look ahead, may we renew our commitment to discipleship—not just as a program, but as a way of life. Discipleship is relational, intentional, and Spirit-led. It requires us to walk alongside others, bearing one another’s burdens, encouraging growth, and celebrating victories in Christ.

Let us be intentional in mentoring new believers, inviting them into our homes, sharing meals, studying the Word together, and helping them discover their spiritual gifts. Let us strengthen the faith of our youth by investing in their spiritual development, listening to their questions, and guiding them with grace and truth. Let us walk alongside one another in love, creating a culture of discipleship that permeates every aspect of church life.

May the Lord bless each church in our Association as we labor together in His vineyard. May we be found faithful in our calling, bold in our witness, and joyful in our service. Let us remember that discipleship is not a destination—it is a daily walk with Jesus, and a call to invite others to walk with us.

Let us continually seek His face in all that we do, remembering that He is our ever-present help and the friend who “sticketh closer than a brother.”

For Ever in His Service,
Discipleship Training Committee

Benevolence and Disaster Relief

In Gods Holy Word it says,

For the poor shall never cease out of the land: therefore I command thee, saying, Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy, in thy land. Deuteronomy 15:11

The most important goal we have had for this program is to share the love of Jesus Christ through love and empathy for those in need. Our desire is to assist and to provide help to others within the guidelines of the Benevolence and Disaster Relief Committee. If families have needs outside of these guidelines, we have been able to refer them to government or nonprofit programs for further assistance. Seeing that there has been an abundant need for help since hurricane Helene several churches and members inside our association with Gods direction started Boots on the Ground

Our group is dedicated to helping those in need through disaster relief efforts and community events. In 2024/2025 our team assisted people from North Carolina to North Georgia. This mission has been made possible by the generosity of our associational churches that have donated their time, prayers, resources, and monetary support.

Boots on the Ground were honored to provide relief to those affected by hurricane Helene. Christmas was also made brighter for several children and families in North Carolina by providing bicycles, baby dolls, and even barbecue. During the Easter season, our Saviors resurrection was celebrated by providing Easter baskets and egg hunts that brought joy to many children. In preparation for a new school year, a back-to-school event offered backpacks, school supplies and necessities needed for the upcoming school year. In addition, support is offered to elderly members of surrounding communities through cleanup, efforts, and home repairs, showing them, they are not forgotten. In a nutshell it all was started through our committee and has greatly expanded!

None of this would have been possible without our churches, families and volunteers stepping out, building relationships, and making a real difference. Thank you for being the hands and feet of Jesus.

With heartfelt appreciation

Brotherhood

Dear Fellow Brethren,

The brotherhood committee of the Hightower Baptist Association reports this year knowing that outside our church doors is a world of people that are not only growing increasingly hostile towards one another, but are less equipped to handle such hostilities. We, as members of the Christian brotherhood, must provide the alternative to the world's hostile nature. And be examples of the power that grace has to make inward change in men's lives, as we ourselves are aware of the change that Christ can make when we allow Him to work within us.

Saul, before converting to Christianity and changing his name to Paul, was once a man engaged in great hostilities, actively persecuting the early church. But while on his trip to Damascus he was blinded and told by our Lord to meet a man named Ananias. Ananias at first protested helping the then chief persecutor of the church, but by obedience and faith helped Paul take his first steps into his walk with Christ. We each have the opportunity to be that same help to someone each day. By obedience and faith we too can help to make the change in someone's life that might lead them to Christ. But Christ requires of us an answer, we must be willing to carry our cross not laying down its weight to assimilate with the world. We must be willing to say "yes" to His bidding and "no" to our own fallen nature. By aiding those in need we work to fulfill the scripture of the good samaritan given to us in the gospel of Luke ch.10 v. 30-37. By studying with and explaining scripture to those not so far along as us in the walk of faith, we

help to guide a new generation to uphold the ideals we stand upon. And by continually making an effort to be a better man and a better brother today than we were yesterday, we engage in making our churches stronger and our world less hostile.

The scripture tells us in Proverbs ch.27 v.17 that “Iron sharpeneth iron; so a man sharpeneth the countenance of his friend”, for us to achieve a closer walk with Christ, we must assist and have the assistance of our friends. Our brothers sharpen us, as we sharpen them. By studying, working, and praying together we only stand to strengthen each other. If we do not engage regularly in these things our brotherhood will weaken. As such, it is of the utmost importance that we stand, study, pray, and work together, making an effort to be a good brother to those who are good brothers to us.

Prayerfully submitted,
Brady Holbrook - Chairman

Association History

The History Committee has been rather busy this year. We have tried to share history and the beginning of new missions with our Hightower Churches throughout the year by means of the Hightower Association Newsletters. The newsletters have gone out every 2 months. We thank all the contributors that make this newsletter possible. We would like to have contributors from ALL of our HBA churches.

Since our last Associational meeting, here are some updates to what the Committee mentioned last year. We asked any churches that have compiled church history books in the past to please donate a copy of the book to the Hightower Association Library. At that time, we did have history books from 5 churches: Hopewell, Hightower, New Harmony, Oak Grove and Friendship. We would like to have your church history book in our Hightower Association library if you have a printed one. If you do not have a written history of your church, we do encourage you to find someone who can do this for your church.

In 2025, we have 5 churches who were established 190+ years ago: Beaver Ruin (1835), Bethel Forsyth (1832), Goshen (1834), Liberty (1833), and Mt. Taber (1833). We would like to recognize delegates from these churches by asking you to stand. Happy Anniversary!! Can you believe that our Hightower Baptist Association is 190 years old now?

We continue to ask each of the Associational churches to appoint (or have volunteers) to become historians for their church and to join our History Committee especially if you enjoy researching our long and very interesting associational history.

We have had 6 issues of our Hightower Association Newsletter go out since our last meeting. We have had 20+ church representatives and 5 groups who have sent information for the newsletter this year. We have 46 individuals on our newsletter mailing list who then are asked to share the newsletters with others in their church via email. All the newsletters can be found on the Hightower Association Web page at www.hightowerbaptist.net. Also, you can look here at the calendar of events that have been submitted to us. If your church is not receiving the newsletter, today is the day to sign up. There are signup sheets available at the clerk's table. I also brought a few copies of the last newsletter. The October-November issue will probably go out this weekend.

I know that other people are looking at our Associational Web page. I had a call last Saturday from a “Baptist Historian” who lived in Monroe, Georgia. He had a question about one of our Abstract of Principles. He had seen these on the digital copy of The Men and Missions of Hightower-Volume II Churches. I did not realize there was a digital copy, but I did find it on our Web page. He had gotten my name and phone number from the 2024 Hightower Association minutes. I directed him to someone who might help him. I did research by myself as well. Anyway, there are people out there who are interested in the history of our churches. The Daughters of the American Revolutionary War organization has also been looking at our history to find churches where Revolutionary War soldiers attended. It is remarkable how long our churches have been serving our communities.

We also encourage you to read the weekly news of our state that you can find in *The Christian Index* at www.christianindex.org. The Hightower Association has always encouraged our churches to read the news in *The Christian Index* as the publication began in 1822 and moved its headquarters from Philadelphia to Georgia in 1833. It is sent out every Thursday through email. There are many stories of hope in these publications that will encourage you.

Some things you will find in the HBA newsletters this past year that are on the web page.

- Associational history of Sunday School over the last 100 years; evangelism and church growth in 1954 and 1957; the history of the Hightower College (Institute) of 1892-1902.
- Birth of the associational “Boots on the Ground” unit and monthly “Youth Nights” updates
- Reports from 2024 Associational meeting and from Georgia Baptist Convention 2024
- Recognition of HBA churches and deceased pastors
- Bible and Associational trivia and word searches
- Church events; Vacation Bible Schools; Summer Revivals; Mission trips; WMU at local, regional and state levels; Georgia Baptist Mission Board events; fundraisers
- Updates about Food/Clothing Bank and Boots on the Ground

Please tell us what history of the Association that you would like us to research and report in our newsletters.

At the 2025 Spark conference for our NW Region of GBC at Peavine BC in Rock Spring, GA, Thomas Hammond, Executive Director of Georgia Baptist Mission Board, told us there are 7 ½ million Georgians who are unchurched. What can we do in our churches and the Hightower Association to reach those who are lost in our communities? Jesus said “**Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.**” (Acts 1:8b KJV). We, Hightower Association Churches, CAN tell the unchurched in our communities about Jesus because Jesus said to do that.

As we close the report, we ask you to:

- Join us on this History Committee and/or in your church and compile a history of your church that we can share with others in our Association library.
- Please continue to spread the news about the Hightower Association newsletter. We would like to have representatives of all 53 churches report and receive the HBA newsletters
- Send information to Janice Tallant at janicetallant@yahoo.com about your church events and activities and help us spread the Good News of Souls being saved in our churches and in Associational events.
- Please let us know what you would like to know more about of our 190 years history.

Youth Ministries

The Youth Ministries Committee met in March to discuss the needs and opportunities involving the youth of our association. After a time of prayer and discussion, the committee felt led to begin a monthly Youth Night, open to all youth from the churches of the association.

To date, five services have been held, with the next gathering scheduled for October 26th at Dennis Bottoms' house. All are invited to attend.

Each gathering has been well attended, and the committee is thankful to report that the Lord has worked in each of these services. The Youth Ministries Committee affirms its belief that the youth of our churches are not only the future of the church, but also an active and vital part of the church today.

We express our appreciation for the continued support and prayers from the association as this ministry continues to grow.

Senior Adult Ministries

Today and every day as we travel around the surrounding counties we are faced with construction on every hand. We may have to slow down or even stop. During those times we are stopped we are given the opportunity to reflect on situations that are ever present in our community and our churches. We are reminded of the blessing we receive by having our seniors attend Sunday School and Church services on a weekly basis. Their reflection shows that we never get too old to desire to obtain further knowledge through our Sunday School classes, and the continued desire to feel the Holy Spirit from the preached word. Their presence is a guiding light to our youth, indicating that one never gets too old to learn something new from the scriptures, encouraging them to follow suit.

1 Corinthians 13:11

When I was a child, I spake as a child, I understood as a child, I thought as a child but when I became a man I put away childish things.

As we get older we feel we can't make a difference, then we are reminded that someone is always watching how our lives are lived, if it's a Plus or a Minus. Often times, we are the only Bible that some will ever read, so we are so very thankful that our Seniors are a PLUS and not a MINUS in their work for our Lord.

Music

“Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord”

Ephesians 5:19

Amazing Grace, Old Rugged Cross, Jesus Paid It All, Because He Lives. These anthems of praise allow us to know that *Jesus Is Mine.*

Gospel music and hymns is a key part of worship in the Hightower Association.

- 1) Singing songs of praise and lifting your voices can have a huge impact on the church service.
- 2) Gospel music and hymns can have such an impact on a person's emotions and can put everyone in a spiritual mood and mindset.
- 3) It promotes thanksgiving for what the Lord has done for us and what he will do.
- 4) Lastly, it prepares our hearts, minds, and souls to hear the preached word.

When a congregation sings hymns together, it fosters a sense of community and a shared belief. It's an opportunity to connect with others in a deep, spiritual way, binding people together in their faith. Singing in unity and one accord creates a collective experience

of worship that can be spiritually uplifting. Singing hymns can inspire a sense of peace, joy, comfort, and hope. They can also help individuals process their grief and struggle, offering words of encouragement and reminding them of what God has done for them and all his promises. Hymns contain scriptures and spiritual truths that can easily be memorized. Singing them regularly helps to ingrain these truths in our minds, providing comfort and guidance in times of difficulty. Hymns can serve as a tool for meditation, prompting reflection on their meaning long after a service ends.

Finally, the music committee of the Hightower Association would like to encourage everyone to continue to lift their voices in praise and motivate everyone to seek God's face during Worship. The Bible makes mention in many places of the importance of music and singing as we try to worship and lift up the blood-stained banner of Jesus Christ our Lord. We have an obligation to uphold the traditions that were left before us and continue to encourage future generations to carry on those traditions of praise.

Thank you and May gold richly bless you for your continued support for music.

DECEASED MEMBERS

As another year passes, we remember the friends and loved ones from our congregations that have gone on to be with the Lord. While we miss them now, we can rejoice in knowing that we will see them again one day. We find comfort in the Word of the Lord. Finance

On Thursday, September 11, 2025, the Finance committee met with Sister April Pruitt, Association Treasurer, for the purpose of reviewing the financial records of the Hightower Baptist Association General account, the Children and Christmas account, the Benevolence and Disaster Relief fund, the Hightower Baptist Association Food and Clothing Bank accounts and the newly established Boots on the Ground account.

We, the Finance Committee, found the financial records to be accurate and current. For a detailed accounting reconciliation see the Financial Report from the Treasurer for each of these accounts.

We, the Finance Committee, would like to thank Sister April for her many hours of volunteer service she devotes to our association each year. April's accuracy and organization of each account record make our committee's job of auditing the accounts simple and smooth.

Lastly, the Finance Committee would like to thank each Church that supports the Association. We encourage all churches to contribute to our Association whenever possible.

Food and Clothing Bank

The Year of our Lord 2025,

The Hightower Baptist Association Food and Clothing Bank has been blessed again this year. The greatest blessings being the 80+ souls that have been saved throughout year.

The doors are open for those in need on the second 2nd Saturday of each month, 8am to 12 noon. This past year we have served 3,652 families that includes over 16,536 individuals. Much of this number is made up of women, children and senior citizens. We currently need around 125 volunteers to make each distribution a smooth process.

We also offer other programs for children during the year. Our backpack program distributed over 301 backpacks in July. Each backpack was filled with school supplies that were age appropriate for each grade from preschool to high school. Our Bless a Child Program was also a huge success this year. We served 1252 children with toys for Christmas. Thank you to each volunteer who spent hours serving to make these programs such a blessing to our recipients.

The Food and Clothing Bank's greatest need each month is volunteers. Please take our request for volunteers back to your church groups. Help us to spread the message of Jesus unto all the world that walks thru our doors. *"Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me"* Matthew 25:45

The Committee would like to give a special thanks to all that have helped this year. May God richly Bless You!
Serving God by serving others,

Your Hightower Food and Clothing Bank Committee,

Paul Bagley, Kevin Smith, Tommy Weldy, Andy Wallace, and Susan Wright
